Crime prevention advice:

Please remain vigilant and report any suspicious activity without delay and if you feel a crime is in progress then call 999 and take this time to review your own security.

Check your lock barrels - if they do not have a 3 star ★★ ★ rating, which are anti-snap security cylinder which provide the best protection against known cylinder attacks methods, then you could and should consider replacing/upgrading them.

Look at having a security light fitted, alongside good quality CCTV and ensure that windows and doors are left locked and secure and do not leave valuables on display - this can include empty boxes of that new P55, iPad or similar.

Alongside this check how accessible your rear garden is - fix that lock on the gate, replace that fence panel - also a brilliant deterrent is some defensive planting around the perimeter of rear gardens.

Keep your property secure with these useful crime prevention tips

We want to keep you informed about our ongoing efforts to tackle anti-social behavior (ASB) in our community. As part of this initiative, we have recently added Section 59 signs in areas that have been highlighted for ongoing ASB in relation to vehicles.

📍 New Sign Locations:

These signs serve as a reminder that under Section 59 of the Police Reform Act, vehicles involved in ASB may be seized. We are committed to ensuring a safe and enjoyable environment for all residents, and these measures are part of our strategy to address concerns effectively.

On 15/09, PCSO 6024 conducted a beat surgery at East Goscote Village hall, engaging with local residents about their concerns and issues.
