## Loughborough East Priorities

**We have listened to you and the concerns you raised, and will prioritise the following:**

**Priority:** Local Police are aiming to reduce Anti-Social Behaviour around the Warwick Way Estate.

**Action taken:**

Please see previous neighbourhood link message for an update regarding this priority from Sergeant 4702 Rhys Barber

**Priority:** Police aim to tackle different elements of vehicles crime such as theft, TWOC and ASB caused by vehicles.

**Action taken:**

Police aim to tackle vehicle crime by the use of Problem management profiles. This will be targeted patrol times, both overt and covert in effort to reduce crime use of ASB with vehicles, disruption tactics on a wider scale using specialist officers.

Theft and associated offences will be targeted by pursuing reasonable lines of enquiry to assist identify and prosecute offenders in a timely manner. Community engagement continues within the beat and multiple stolen vehicles have been found by officers and recovered for forensic examination.

**Priority:** Police are developing and targeting people within the area that are drug dealing, exploiting vulnerable people by cuckooing addresses and causing anti-social behaviour from this type of crime.

**Action taken:**

We continue to gather intelligence from the community, providing a robust response by executing search warrants and proactively looking to stop those we believe to be dealing drugs, applying any necessary closures to stop the criminality and protect the public.

The beat team currently have five partial closure orders across the beat with another one being progressed and one full closure order.

Any intelligence we receive officers further develop this with hi visibility and covert patrols around the beat and we also liaise with partner agencies such as housing associations and Charnwood Borough Council.
