

Roundhill Ward Update – June 2026

Brought
by

to you

PCSOs Chapman (41212) and Macaulay (45073)

Hello everyone,

Welcome to your June ward update.

Community Meetings

We are looking for dates to hold future meetings, so please watch this space.

If you are a member of a local group or organising a meeting, please get in touch — we'd love to be involved and support where we can.

Crime and Community Concerns

In our meeting – the issues discussed were around anti-social driving/speeding issues in the ward, along with abandoned motor vehicles and drug activity. We will be continuing our patrols and looking at other problem-solving ways to eliminate these issues.

As always, we encourage all residents to report suspicious activity, no matter how small — every report helps us build a clearer picture and direct resources effectively.
