

CROYDON TRADING STANDARDS

COMMUNITY ALERT

 The National Trading Standards Scams Teams are excited to launch the Friends Against Scams app, your new tool to help spot and stop fraud.

Think you could spot a scam? With the new Friends Against Scams app, you can!

 Interactive training teaches you how to identify common scams so you can protect yourself and others.

 Are you concerned about a link or message? Use the integrated **Ask Silver** scam checker to review texts or links.

Available on both Apple and Android.
