COMMUNITY ALERT

Fake Evri Website

A scam website impersonating Evri

Warning 23rd March 2026

A scam text which says that your delivery failed due to a signature being required provides a link to reschedule the delivery.

This link leads to a convincing Evri copycat site complete with up to date logos and branding.

Entering your personal information into sites like these leaves you vulnerable to being scammed in the future, as fraudsters can use these details to make their scams more convincing.

Scam texts can be reported by forwarding them to **7726** and scam websites can be reported to the [National Cyber Security Centre](#).
