Clifton Town Hall: Putting young people first

Wednesday 29th January 2025

5 – 7 pm

Hope Church, NG11 8AR

We warmly invite you to join us for an evening focused on shaping the future of Clifton's young people. Hosted by the **Clifton Collective Impact Initiative**, this event is a chance for families, schools, local organisations, and community members to come together, share ideas, and collaborate on creating lasting positive change.

By joining forces, we can ensure that Clifton's young people have the support and opportunities they need to thrive.

This event will focus on improving educational outcomes, encouraging positive behaviours, and supporting pathways to further education and career opportunities for all young people in Clifton.

ALL ARE WELCOME. REGISTER HERE:

[Clifton Town Hall](#)

Current Clifton Collective Impact Initiative partners include Nottingham Trent University, Clifton Churches, Nottingham City Council, Farnborough Spencer Academy, Nottinghamshire Police, Summerwood Community Gardens, local councillors, the Scouts, and Good Companions.
