Crime Prevention and Outreach Stall

Whitechapel SNT, along with our ASB partners from Tower Hamlets Council were out together at Whitechapel Market to promote crime prevention. We offered crime prevention advice and engaged with hundreds of local residents and visitors at the market.

We also carried out bike marking on the day and signed up people to Met Engage.

We had local shopkeepers and other stakeholders who we reassured and thanked them for their ongoing support to the local SNT and ASB Officers.

As well as marking bikes we also marked mobile phones and other gadgets with special gadget marking kits on the day!
