#YouSaid - What matters to you.

We have listened to you and the concerns you raised and will prioritise the following in December 2025.

Priority 1: Theft

You said: You told us that you were concerned about thefts, this can include shop thefts and vehicle break ins in the area. We will try to prioritise this going forward.

Priority 2: Motor vehicle crime

You Said: you told us that you were concerned about vehicle crime this includes anything from theft of vehicle to theft from vehicle.

Priority 3: Road Safety

You Said: You have told us that road safety is a priority, this includes speeding, dangerous driving, no insurance, no MOT, no tax and more.

#WeDid - What we are doing

As part of our ongoing priorities in Lutterworth, we have been focusing on thefts, vehicle crime, and road safety.

- **Thefts:** We have carried out targeted patrols around local shops and car parks, identifying and dealing with known offenders. We've also engaged with businesses to provide crime prevention advice and strengthen links with shop staff.
- **Vehicle crime:** We have increased evening patrols in hotspot areas, spoken to residents about simple security steps they can take to secure their property.
- **Road safety:** We have conducted speed checks in areas raised by the community and offered visible reassurance patrols around schools at peak times. We continue to work with partners to highlight the dangers of speeding and inconsiderate parking.

Lutterworth Beat Team – November Update

November has been a busy month for the Lutterworth Beat Team, with plenty of community engagement and proactive policing across the area. Here are some of the highlights:

Community Engagement

On **Friday 28th November**, officers attended the **Lutterworth Christmas Lights Switch-On** event. It was fantastic to see so many residents enjoying the festivities. Inspector Perry and Sergeant Davies were present, meeting members of the community and supporting this much-loved local tradition.

Proactive Policing

On **Friday 21st November**, the team carried out a successful operation in the **Bitteswell area**, working alongside colleagues from other policing teams. This resulted in the seizure of several stolen vehicles, including:

- A stolen trailer
- A stolen BMW
- A stolen motorhome

These recoveries demonstrate our commitment to tackling vehicle crime and protecting our rural communities.

Remembrance Parade

On **Sunday 9th November**, officers proudly attended the **Remembrance Parade in Lutterworth**, paying respects to those who served and sacrificed. It was an honour to stand alongside the community in remembrance.

Upcoming Event

Join us for **“Meet the Inspector”** on **Friday 5th December** at the **Wycliffe Rooms, George Street, Lutterworth**, between **10:00 and 12:00**.

Inspector Perry and PC Whittaker will be available to answer your questions, listen to your concerns, and discuss local policing priorities. We look forward to seeing you there!

Darker Nights Campaign:

 Residential burglaries can be deeply upsetting. It can be traumatic to lose valuable and sentimental items from your home and the thought of a stranger invading your property is distressing.

 Protect your home against opportunist burglars by remembering to lock up and light up.

 These darker evenings can provide the perfect cover for burglars who can easily spot an insecure window or door, or valuable left in plain sight.

 Check out our other advice on how to keep your property safe: [Keep burglars out of your property | Leicestershire Police \(leics.police.uk\)](https://www.leics.police.uk/keep-burglars-out-of-your-property)

 Install strong fences and gates and make sure that they are always locked. Consider adding trellis and spiky plants to the fences to make it difficult for burglars to climb over them.

 Consider installing external CCTV cameras or video doorbells. Always lock your windows and doors when you are in and out.

 Try to make your house look as occupied as possible when you are not there. Use automatic timer switches to turn lamps on and off sporadically.

 Do not leave your house and vehicle keys in the lock or on a side table in view of a window or next to a door. If you wish to obtain a faraday pouch you can visit a police station and ask for a car key pouch.

 Check your UPVC or Euro Cylinder door locks to see if they're snap resistant. It should be stamped with a three-star kite mark. For more information on this please visit the Leicestershire Police Website.

 Do not leave items in open porches that could be used to enter your home such as curved-handled umbrellas. These items could be used as "fishing" implements to use through a letter box or open window.

 If you're going away, cancel newspapers and milk. You could also ask a trusted neighbour or friend to keep an eye on your property and take your post inside.

 Use external sensor lights on your driveway / rear garden.

 Think about increasing the visibility of the entrances and exits of your home. Consider cutting back and removing large plants and bushes that restrict visibility from the road.

 For more information on how to keep your home safe, please visit the Leicestershire Police website.
