Community engagements and celebrations of the festive period

We have been very busy in the December month, attending festive community events at our local churches and smaller businesses. The team have been fortunate to meet many residents due to the large amount of events that have taken place across Aylestone to celebrate Christmas and other celebrations.

We were able to offer a visible presence, crime prevention advice and support at many of these events. A massive thank you to the community and residents and a happy new year!

Community Engagement and meeting our Communities

In the last month, the team have been out patrolling the streets and speaking with many residents across the Aylestone area to better understand any concerns and issues. This has helped us greatly as we have been able to build up our intelligence, increase the trust between us and the public and re-focus our attention to areas around Aylestone that have had an increase in Anti-social behaviour and other crime.
