Objectives and activities

The objective of the Charity is to promote good citizenship and greater public participation in the prevention of crime and community safety, in particular by the effective liaison between the Police, the Local Authorities and similar bodies and public in order to promote the efficiency of same in the County of Cumbria.

The main objectives and activities for the year continued to focus upon the prevention of crime and building of safer and stronger communities in line with local and national strategies.

Achievements and performance

We continue to secure funding for video doorbells which allows us to distribute these units to vulnerable members of the community as advised by the Police. We will endeavour to continue this service depending on funding being made available.

The Digital Switchover work we have been involved in will continue so that adequate provision is in place to support communitities around the County, in particular rural areas. This work will again be the focus of our impending AGM.
