PC Salter had an arrest for harassment and managed to get a male charged for drugs and numerous driving offences. New year, new staff report and since joining Peckham from Old Kent Road SNT last month; PC Heather Gilbert has been incredibly industrious in aiding not only Street Duties Constables with orientation and progression but also Special Constables through Hotspot Patrols, Stop and Searches and simpler interactions that form the day-to-day. It has been a pleasure for PCs and PCSOs alike to assist and support our new colleague, long may it continue.

In the spirit of partnership Peckham SNT have been working closely with our Southwark Park Liaison Officer colleagues to double up with their taskings hotspots on our ward. With our Southwark Park Housing Officer colleagues to aid in evictions and Breaches of the Peace and PCSOs Broughton-Rates and Smyth have been out in the Community testing venues and feasibility for monthly 'Cuppa with a Copper.' St Luke's Church on Chandler Way has welcomed the idea to coincide with their regular Wednesday Peckham Pantry food drive and we will be talking more closely with Mountview Theatre Arts College to use the Westland Cafe venue for another monthly 'cuppa.' Watch this space, MetENGAGE or join us there.

Next month it is Ward Panel Meeting time at Cornerstone Community Centre (on Sumner Road); Thursday 19th February from 18:00. Please spread the word and we will work through local problems to find solutions. Past meetings have involved Ward Councillors, Housing Officers as well as your local officers; but what we really need is a cross section of the Community to aid Peckham Ward in going onward and upward.

Finally a thank you from all on Peckham SNT to Sergeant Lee Cormack who will be leaving us to move to another branch mid February; I would like to say it's been a pleasure...and it has, so I will. Thanks Skipper, we will genuinely miss you.
