What matters to you

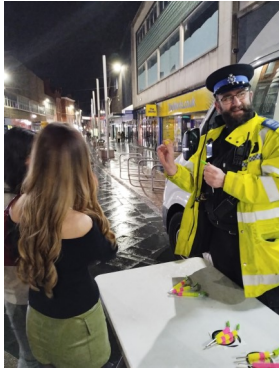

You have told us you are experiencing issues with: Retail crime particularly focussed around the Haymarket Shopping Centre; Drug use and the associated anti-social behaviour around Angel Gateway and the Market Place; Anti-Social Behaviour around Abbey Park Campus, Memory Lane and the surrounding industrial areas.

What we will do

To tackle the issues raised we will conduct a number of focused actions which will include;

- Hold regular engagements with students at Leicester College discussing the impact of Anti-Social Behaviour and how to keep themselves safe.
- Conduct pro-active patrols around Abbey Park Campus focussing on identifying those committing anti-social behaviour and beginning the incremental approach to tackle this.
- Conduct reassurance and proactive visits to stores reporting shop thefts in order to identify offenders and bring them to justice.
- Hold engagements around the Market Place with partner agencies to offer support to those engaging in drug related activities.
- Conduct proactive patrols of hotspot areas to target offenders and bring them to justice.

News

March brought the National Spiking Awareness Week. Our Beat Team have been holding stalls giving out anti-spiking straws and also glass covers.

Our beat teams have been supporting many of our religious settings during the Islamic Holy Month of Ramadan. We have been very honoured to be invited to break fast at The City Retreat and Leicester College. We have also been showing support towards our colleagues who are observing the fast during Ramadan.
