FARM MACHINERY REDUCE THE RISK IN FIVE STEPS

1. If stored outside, keep vehicles in a well-lit location overnight, keep them locked at ALL times when not in use
2. Keep the keys with you or in a locked key safe
3. Consider using hitch locks and wheel clamps
4. Consider a tracking device or data tracking chip for high value items
5. All property, including vehicles should be photographed and recorded in an asset register. Love it, log it!
