Acting on Community Concerns

The top 3 concerns for the area were:

Anti-Social Behaviour – General, E-Scooters and Nuisance Motorcycles, and Drugs

During the summer holidays there have been a number of issues of ASB which is to be expected. There have been increased patrols in ASB hotspots to try and tackle the problems. The number of E-scooters on the streets has dramatically decreased and we will continue to remove these from the street and also educate those found to be riding them.

Good news

On 15/08/25 beat officers attended a joint visit with Ashford Borough Council (ABC) due to concerns about a male squatting in one of their properties. A male was located in the address and found to be in breach of a Domestic Violence Protection Order (DVPO). The male was subsequently arrested and put before the next available court. ABC secured the address and will shortly have it available for the next tenant. This collaborative working occurs daily with our partner agencies in order to help tackle a wide range of issues across Ashford.

There have been a number of vehicles seized by beat officers for offences such as driving otherwise in accordance with a licence and no insurance. It is important that these vehicles are taken off the road to make them safer for all road users.
