Due to this week being motor vehicle awareness week FOREST HILL, PERRY VALE & CROFTON PARK Safer neighborhood team have come together to host a community event purely to provide people with knowledge and reassurance when it comes to motor vehicle thefts.

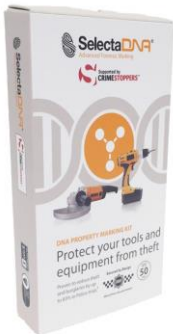

### Things we offer!

- Vehicle window etching** — Glass etching with unique codes to individual pack that is issued.

- Security stickers** — Special security stickers that we place on the engine or chassis out of sight this sticker cannot be removed easily and leaves a mark.

- Visible security stickers** — These stickers can be put as a visible deterrent against vehicle thieves. Placed inside and easy to remove incase you no longer want it on show.

- DNA marking drops** — These drops can be applied via the applicator which is a clear dot barely visible to any device or property which has unique DNA assigned to individual packs. This is good for laptops or any high value property.

- Information** — Security information for your vehicle such as steering wheel locks and pedal locks ghost immobilizers and faraday pouches.
