NOVEMBER 2025 (1st October —31st October)

STRANGER DANGER

Over the past couple of months there has been a number of reports of males approaching youths, understandably this has resulted in a higher state of awareness. The Northwich Guardian has reported on these reports which has served to further cause concern within the community.

At present, officers are looking into all reported incidents, but these are not thought to be linked.

TIMELINE :

AUG— two incidents reported , within the same week which resulted in a SOCIAL MEDIA post being published on our social media channels to promote communication from Parent to child and vice versa. If anything happens to you, tell parents straight away. And Parents to advise their children not to speak to anyone they don't know and what to do if something suspicious does happen.

OCT- further incident (which fits the description of the last two incidents in AUGUST but at this time there is nothing to link these events. Further investigation is taking place). CCTV has been obtained and vehicle details obtained.

OCT— further incident which is not related to the previous, due to different vehicle and male. No registration details were obtained, but CCTV has identified a potential suspect.

MINI POLICE

MINI POLICE COURT BACK IN SESSION

This past month the MINI POLICE held one of their COURTS again in KINGSMEAD, which tackles speeding within the community.

The MINI POLICE work along side NORTHWICH SOUTH COMMUNITY OFFICERS.

When a driver is caught speeding by officers who have the TRU CAM SPEED GUN , they are pulled over and given a choice :

- take the points (if course is not available) together with Fine
- or attend the MINI POLICE COURT

This current COURT occurred on MONARCH DRIVE in KINGSMEAD and over the course of the hour , 4 drivers were caught speeding and all attended the MINI POLICE COURT.

At the court the Mini Police interview the driver about how and why they are speeding within their area.

As they left , some of the feedback that was received included :

“that was tough , they don’t hold back”

“I wont forget that straight away”

“Wow I've learnt my lesson”

The Mini Police Courts are one of more impactful patrols / sessions we do with the MINI POLICE and with that more courts are planned for the future.

And Finally

On Friday, Cheshire Constabulary held their annual ACE (achieving Cheshire Excellence) awards. And we are proud to announce that PCSO Robertson won the PCSO of The Year Award.

PCSO Robertson has been the Davenham and Moulton (which also covers the Leftwich, Kingsmead area for the past 4 ½ years. He won the award for his dedication to his job role, the work he has done within the community and for giving the community a voice.

Over the past year PCSO Robertson has worked on and developed the Mini Police program and made it into a HMRC recognized program that has now been rolled out to other areas within Cheshire. Also, along with developing the program, PCSO Robertson has worked with his own Mini Police at Kingsmead primary

School, which has gone on to win National Awards. And with the success he has achieved with the Kingsmead Mini Police, he has now gained 2 more teams of Mini Police, with Davenham CofE Primary joining the program last year and now Leftwich Primary joining this year.

His dedication to his role is his number 1 priority, which has been recognised with this award.

Huge congratulations, we are truly proud of him.
