Alcester Police SNTs. Latest Weekly Report. Sunday 16th November 2025

Based at Alcester Police Station, The Safer Neighbourhood team's primary roles are around crime prevention, problem solving both long standing or emerging issues of community concern and community engagement. We are supported at Alcester by colleagues from Patrol teams whose role is to respond to incidents and investigate crimes that occur in the area 24/7. The SNT is supervised by Inspector Jake Kibblewhite who leads on Neighbourhood Policing for Stratford District and Sgt Ebbs who also oversees neighbourhood Policing in the Shipston on Stour area. The Alcester SNT currently consists of 2 Police officers and 5 Police Community Support Officers, and our contact details are shown above.

Hello all.

This is our latest combined weekly report and prompt to see if you have any questions, suggestions or concerns for the Alcester Police Safer Neighbourhood Teams. Thank you to those that have contacted the Teams this week. If you would like to be removed from this local email circulation list, please let me know asap. This report will also be sent out on the Warwickshire Connected alert system.

For operational and privacy reasons not all the incidents that occur on the Alcester area are listed in this report, although they are recorded on police systems. Please remember to report any anti-social behaviour, suspicious activity or crimes to us as soon as possible - this can be done via the 101 and 999 telephone numbers or if not an emergency via our online reporting forms that can be found on our website. If you have any information or cctv footage that may relate to the incidents listed, please contact us.

Uninsured drivers feel the consequences.

Is your car insurance valid? Is the question our officers will be asking drivers as they conduct additional checks on motorists.

Last year our officers seized over 1,200 uninsured cars, vans and lorries. Once seized; to get your vehicle back, drivers need to provide proof of insurance and pay recovery and storage fees within 14 days. Those not claimed are scrapped or auctioned.

Don't let this be you is the message from our officers who will be educating drivers on some of the common mistakes people make around car insurance.

Common mistakes include.

- Forgetting when your insurance expires? Check your renewal date today.
- Assuming your policy auto-renews? Not all do, and expired payment cards can cause lapses.
- Keeping a vehicle off the road without declaring it SORN with the DVLA? Make sure it's officially off-road.
- Thinking fully comprehensive cover lets you drive someone else's car? It often doesn't - check your policy first for coverage and any restrictions.
- Using your car for work or deliveries on a social-only policy? You'll likely need commuting, business or hire-and-reward cover.
- Uninsured drivers may receive a £300 fixed penalty notice and six points on their licence.
- If your case goes to court, you may also receive an unlimited fine and even a driving ban.
- The consequences are the same whether you've made a genuine mistake or not.
- A quick check of your policy could save a lot of stress and expense in the long run.

Being caught driving uninsured can affect every part of your life – a loss of your independence, an inability to care for dependents such as taking your children to school and even affect job prospects as a driving conviction can show up on background searches.
