## What matters to you

We have listened to you and the concerns you raised and will prioritise the following from January 2025.

### **Priority 1: Drug issues. What we are going to do-**

Targeted patrols to identify drug dealers and drug users seeking to disrupt them and close down supply lines. Working closely with local residents and the council to gather intelligence and tackle the problem.

### **Priority 2: Nuisance parking surrounding schools. What we are going to do-**

Regular morning and afternoon patrols to offer advice and guidance. We will also be working with the school to get the message to any parents involved, and working with the council around enforcement of parking legislation.

### **Priority 3: Retail theft. What we are going to do-**

Regular high visibility patrols to offer reassurance and to deter those shoplifting. The beat team are working closely with the stores to gather the evidence needed to prosecute offenders.
