Priority 1: You told us that you were concerned about burglaries within the Oadby area.

What we are doing: Officers continue to conduct regular patrols of the areas where offences have occurred, these patrols are reducing the number of burglaries. We will continue to do this going forward. Where CCTV is available, this will provide valuable intelligence on times and when offences are happening and possible vehicles involved, to assist in our patrol strategy.

Priority 2: Road Safety You said: You have told us that Road Safety is a priority, this includes things like Speeding, Insurance, MOT and driving offences.

What we are doing: We have conducted vehicle speed checks at identified locations. What we have done #yousaidwedid

Some of the key work done during June:

Your Oadby Neighbourhood Policing Team, with officers working hard to keep our communities safe and address local concerns. Here's a summary of what we've been doing:

Targeted Patrols & Anti-Social Behaviour: We have been carrying out targeted patrols at key locations where concerns have been raised about speeding vehicles and ongoing anti-social behaviour. These patrols are intelligence-led, focusing on areas where reports from the public highlight the greatest issues. Our aim is to deter offending, reassure residents, and take action where necessary.

Proactive Stop Checks: Using our mobile technology, we have continued to carry out targeted stop checks on vehicles linked to suspected criminality. This enables officers to quickly access and review information in real time while out on patrol, allowing us to make informed decisions and take swift action where necessary. These proactive checks play a vital role in disrupting individuals involved in criminal activity, as well as preventing offences before they occur.

Warrants & Drug Activity: Our proactive team has executed planned warrants, resulting in the recovery of drugs. The individuals involved have been remanded into custody, demonstrating our firm commitment to tackling drug-related crime and keeping harmful substances off our streets.

Neighbourhood Policing Week of Action 2026

Local police officers and Police Community Support Officers (PCSOs) from South Wigston, Wigston and Oadby proudly joined colleagues across England and Wales in marking the *Neighbourhood Policing Week of Action*—an annual campaign celebrating the vital role of neighbourhood policing teams, PCSOs, and volunteers within our communities.

Taking place from **Monday 15th June to Friday 19th June 2026**, the week was dedicated to recognising the incredible work carried out every day to keep our communities safe, connected, and supported. Throughout the week, our teams were out and about engaging with residents, businesses, and partner organisations—listening to concerns, offering reassurance, and working together to address local issues. From high-visibility patrols and community meetings to school visits and crime prevention advice, it was a fantastic opportunity to highlight the importance of community-focused policing.

Inspector Day and PCSO Nad visit Oadby Gurdwara

On Wednesday 10th June 2026 the new Inspector Christopher Day and PCSO 6518 Nad visited Oadby Gurdwara, where Inspector Day introduced himself as the new Inspector for the Harborough and Wigston area. The visit provided a valuable opportunity to meet with Sikh community representatives, discuss local concerns, and listen to community feedback. Building strong relationships like these is essential in ensuring we work together to keep our communities safe and supported. We would like to thank everyone at the Gurdwara for their warm welcome and continued partnership. Inspector Day will be continuing his programme of engagement over the coming months, visiting a range of faith groups and community organisations across Harborough and Wigston. These visits will provide further opportunities to build relationships, listen to residents' concerns, and strengthen the ongoing partnership between the police and the diverse communities we serve.

Crime Prevention Message to Anand Group

On Wednesday 24th June 2026 PCSO Nad attended the Anand Group at St Paul's Church in Oadby. It was a great opportunity for PCSO Nad have a chat about keeping homes safe, especially during the warmer weather. As temperatures rise, we often see more residents leaving their windows open when heading out. While it's understandable, it can unfortunately make homes an easy target. The key message was simple – no matter how long you're going out for, please make sure all windows are fully closed and locked, even the small ones. A few simple steps can make a big difference in keeping your home secure. Thank you to everyone for the welcome and for taking the time to listen and engage in the discussion.
