- Speeding (10 votes on Neighbourhood Link (NHL)). Between 01/06/2025 and 30/06/2025 the mobile speed camera visited the A4303 Lubenham Hill for a total of 115 minutes. Fifteen offences were detected.
- Anti social behaviour (10 votes on NHL) - identifying individuals causing the anti social behaviour. Passing their names to the council to start the incremental approach. Targeting areas of known ASB activity.
- Drug dealing (11 votes on NHL) - We have been conducting plain clothes patrols in areas we are told drug dealing is an issue. We collect intelligence from residents and CrimeStoppers and apply for magistrates warrants and conduct drugs raids on those we suspect of dealing in drugs. We encourage anyone to report drug dealing to us anonymously through CrimeStoppers.

Meet the Inspector Day – Market Harborough Part of our Safer Streets Summer initiative A huge thank you to everyone who joined us in Market Harborough for a fantastic “Meet the Inspector.” day. We had some great conversations with local businesses, dropped into the library’s Wiggly Readers session to enjoy story time with the little ones, and spent time chatting with residents about the issues that matter most to our community. This event is part of our ongoing Safer Streets Summer campaign – working together to make our neighbourhoods safer, more connected, and even more vibrant. Let’s keep the momentum going – your voice matters. #MeetTheInspector #MarketHarborough #SaferStreetsSummer
