

## **Coldean & Stanmer Ward Update**

**From PCSOs Aiden Falconer (44198) & Charlie MacSorley (44798)**

**JANUARY 2026**

### **Ward Priorities**

Our focus in Coldean and Stanmer continues to be on:

 **Off-road motorbikes in park areas**

 **Speeding vehicles**

 **Anti-social behaviour**

These priorities are based on community reports and patterns we've observed through local engagement and patrols. Your feedback helps us target the issues that matter most.

### **WARD UPDATE**

I am PCSO Charlie Macsorley and I am the new police community support officer that covers Coldean and Stanmer alongside PCSO Aiden Falconer. I am delighted to be apart of this community. Thank you for all your reports and please continue to make reports so that we are always informed of what is going on within the ward area. We are here to help Coldean and Stanmer be a positive area to live. I look forward to meeting you all at some point!

### **How You Can Help**

Your reports and feedback are vital, they help shape how we police the ward.

- **Report issues via 101**
- **Report online:** [www.sussex.police.uk](http://www.sussex.police.uk)
- **Emergency:** always dial 999

You are our eyes and ears when we're not around and every report helps us keep Coldean and Stanmer safer.

### **Stay in Touch**

We're committed to supporting our community, but we can't do it alone. Please continue to:

- Report issues via 101 or online
- Engage with us when you see us on patrol
- Attend local meetings when possible

Together, we can keep Coldean and Stanmer safe, supportive, and welcoming for all.

Stay safe, stay warm, and thank you for your continued support.

**Ward patrols**

I have been on continuous patrols and have met a lot of new faces which has been great. If you do see me or Aiden out and about, then do make sure to come and say hello as we would love to have a chat.
