## News

Over a two week period, local officers stopped a number of cars and dealt with the drivers for traffic offences. On one night shift, officers stopped a car driving in Market Harborough with the incorrect licence and therefore no insurance. The driver was issued a ticket, and the car was seized.

Checks showed his passenger was wanted for offences in Northants so was arrested and taken to Northants custody.

Another stop revealed a vehicle whose driver had no insurance. They were issued a ticket, and the car was seized. A further stop found a driver with no insurance who tested positive for drugs, so was arrested and taken to custody.

If you suspect someone of driving while impaired or without insurance, this can be reported via 101 or online. Alternatively, you can stay anonymous by contacting Crimestoppers on 0800 555 111 or via their online form at [crimestoppers-uk.org](https://crimestoppers-uk.org).
