

## **Ward Update December 2025 - Moulseccomb & Bevendean**

### **Patrols**

PCSO Harffey and PCSO Dunn continue to conduct mobile foot and vehicle patrols around Moulseccomb and Bevendean, Bates Estate and Saunders Park. Members of the public have requested more visible patrols in their area as this can provide reassurance and a deterrence to anti-social behaviour or crime. We have a large area to cover where foot patrol is not always practicable so marked vehicle patrol covers more ground. If you feel unsafe in a public place please call 999 or if you just wish to report something call 101 or email [sussex.police.uk](mailto:sussex.police.uk).

### **Ward Days and Engagement Meetings**

A community engagement meeting was held at Moulseccomb, engaging with local people, receiving feedback and offering general home safety advice and fraud prevention.

Further community engagement events will be held in the coming months to hear your concerns.

**Our next meeting is being held on: TBA**

### **Vehicle Crime**

We appreciate that this is an on-going problem, and patrols and action will continue.

The fast E-bike that was stopped and seized for no insurance has been sent for destruction. The male rider was also found to have drugs on him for which he was also charged at Court and found guilty.

Please report drink/drug or anti-social driving to: 101, [Sussex.Police.uk](mailto:Sussex.Police.uk) or Operation Crackdown. If the matter is an emergency, please call 999. If you wish to make an anonymous report you can use the independent charity - CRIMESTOPPERS on 0800 555 111 or [crimestoppers-uk.org](http://crimestoppers-uk.org)

### **Fraud Advice**

Various types of scams continue to be our biggest problem city and nationwide. To add an extra layer of protection to your email and social accounts, consider using 2- Step Verification (2SV) which helps to keep cyber criminals out even if they know your password. 2SV, sometimes called 2-factor authentication, can usually be found in the security setting of your account.

It provides a way of double checking that you really are the person you are claiming to be. You will be asked to provide a second step which is something that only you can access.

This could be a code number sent to you by text or created by an app. This would be in addition to your password, making it doubly difficult for criminals to access your accounts. More information can be found on the GOV.UK website.

Keep up to date with the latest news and advice on the Sussex Police website.

### **School Parking**

A few parents are continuing to park on zig-zag lines outside schools. These lines are there for children's safety. We have started patrols where possible and initially warnings were given but Traffic Offence reports will be issued to persistent offenders which could get you 3 points on your licence and £100 fine.

### **Sussex Resilience Campaign**

The Sussex Resilience Campaign aims to help older people to be better prepared for any disruption to utility services caused by winter weather. Three simple steps include;

Join the Property Services Register

Pack a 'Just in case bag' - essentials to hand

Know who you can call – list of key phone numbers

For more info on this call a free phonenumber 0800 998 7103 or [www.thepsr.co.uk](http://www.thepsr.co.uk)

### **Moulsecoomb & Bevendean top three priorities continue to be;**
