PCSO Matt Suffolk 6387
PCSO Lynette Rose 6596

#YouSaid - What matters to you

Through Neighbourhood Link, social media and local engagement events, we have listened and will be prioritising the following -

You said – ASB within Belvoir Centre and wider town centre.

We Will – We have completed a number of operations within the town centre and are holding frequent meetings with security personnel and colleagues in our CCTV office. We have identified a number of those causing harm and have actions in place which we continue to monitor. Our work with partners is on-going to continue to engage with our young persons and to provide provisions to detract from behaviour which causes distress to others. We are continuing with this work and as such this priority will continue in to the next quarter.

You Said – You have raised concerns relating to road safety, specifically surrounding our local Primary Schools. This includes driving at excess speed for the location, inappropriate road use and dangerous parking.

We Will – We will work with local schools and agencies to seek long term solutions. We will engage with road safety teams in order to offer education and will carry out enforcement where appropriate. We will hold speed checks and carry out frequent patrols at the relevant times.

You Said – We have had issues associated with youths purchasing alcohol and vapes at local retailers raised to us. These being under-age and illegally sold.

We Will – We have conducted a test purchase operation in the town centre which also raised concerns. As a result we will target this area, completing further operations and working with colleagues in licensing to ensure our town centre is safe and legal.

#WeDid - What we are doing

Coalville Town Beat Team are pleased to welcome Police Community Support Officer Lynette Rose 6596 to the team.

PCSO Rose has been a Police Community Support Officer for 9 years. Previously her roles have been a beat officer and more recently a youth engagement officer. When you see PCSO Rose, make sure you stop and say hello. Welcome to the Coalville Town Team.

#WeDid - What we are doing

Pro active day of arrests - A day in the life of a response team

Neighbourhood Response B shift and the Neighbourhood Priority Team had a productive day of arrests, helping to keep our community safe.

1 x male arrested for a serious domestic assault after being on the run for 8 months – A real determined effort by the investigating officer to secure his capture.

1 x male arrested for theft and criminal damage after some enhanced forensic investigation.

1 x female arrested for aggravated public order in Coalville Town.

An example of just one shift working together to make a difference in your community

Careers Day at St Clares Primary School

The Coalville Town Beat Team had the privilege of participating in a special career's day invite from St Clares Primary School! We had engaging discussions about the various roles of the Police and how we support our community. It was a fantastic opportunity to share how we help people daily and the importance of building trust and relationships with the young people we serve. A big thank you to St Clares for having us!

Off Road motorbikes causing anti social behaviour

The Coalville Town Beat Team have been receiving complaints of anti social off road bikes, The team has been actively patrolling the hotspot locations of Western Avenue, Charles Street Park, and Trowell Street, Coalville. We have also completed a patch walk in the locations and are liaising with NWLDC for a joint approach for longer term solutions.

Please report instances of off road bikes to North West Leicestershire District Council on their website— [ASB - off road motorbikes - North West Leicestershire District Council](#)
