SCUNTHORPE
TOMORROW

Youth LAB

SAT 11TH OCT | 12:30-5

OASIS COMMUNITY SPACE, CROSBY

In this **LAB**:

“IF I HAD A MILLION QUID”

How would you spend it to improve your ‘hood? Put your money where your mouth is and tell us in your own words and pictures what would make a difference.

“FO’ REELS”

Make 1-minute videos or voice notes pitching your best idea in your own language. Broadcast your idea and have it seen and heard.

“LISTEN UP!”

Your ‘hood, your way. Tell us the best and worst now, and what needs to change.

**THIS IS YOUR
CHANCE TO BE
PART OF CHANGE.**

We are Scunthorpe Tomorrow and we're here to change Scunthorpe for the better.

You can be that change.
