

Issue: November 2025

## Your local team

**PS Charlie Davies**

**PC Tom Glover**

**PCSO Lucy Brown**

## What matters to you

- **Anti Social Behaviour** —You have told us that Anti-Social behaviour causes you concern. This can be things like excessive noise, parties, smoking drugs and more. We will be working with partners to ensure we can tackle these issues and prevent them occurring again.
- **Motor vehicle crime**—You told us that you were concerned about vehicle crime. This can be theft of motor vehicles or theft from motor vehicles, this also includes theft of tools from vans and theft of catalytic converters.
- **Road Safety**—You have told us that Road Safety is a priority, this includes things like Speeding, Insurance, MOT and driving offences.

## What have we done **#yousaidwedid**

- **Anti Social Behaviour**—The local neighbourhood team conduct regular patrols in highlighted problem areas.  
Officers will advertise on our social media channels when they are out and about patrolling  
We record all ASB on our shared system with Harborough District Council and together we will do what we can to reduce problems and provide you with the satisfaction.  
We continue to encourage you to report concerns and locations to us, we need this information to conduct more targeted patrols.
- **Road Safety**—the local beat team regularly conduct speed checks and deal with any traffic issues that are reported on the beat. We endeavour to update via social media or Neighbourhood Link when we complete these duties.

### Court Result:

Julian LACEY (55 years old) from Broughton Astley — attended Loughborough Crown Court on 24th November in relation to the following offences:

1. Harassment – put in fear of violence
2. Possess offensive weapon in public place
3. Section 4 Public Order
4. Criminal Damage value under £5000
5. Criminal Damage value under £5000

LACEY was convicted in Crown Court for the criminal damage reports and issued with a 10 year restraining order. He was on remand from June 2025 until his court hearing. The other matters were concluded at court with limited support for conviction. He has also been removed from his property via housing which has since been repossessed back to housing's ownership.

This was a long investigation with a lot of work put in by not just the local beat team, but also response colleagues, local housing agencies and district council. This enabled not just a conviction in criminal court but also civil court matters to safeguard local residents and prevent future issues occurring.

### Great Result:

A suspect linked to a non-residential burglary in Broughton Astley has been arrested, charged and remanded for this report.

After great investigative work by both the Harborough response officers and the Leicestershire Police Forensic team, the male has been identified and arrested for this report.

He has also been dealt with for a criminal damage report in Lutterworth.

*\*\*\*This is still an active investigation awaiting a court result so please refrain from discussing this report or any information around this case\*\*\**

### Nursery Visit:

On 20th November PCSO Brown attended a local nursery in Broughton Astley and spoke to the children about her role. They got to wear some police hats and kit and also asked some great questions.

## What have we done #yousaidwedid

### Good Deed of the Day:

Whilst completing patrols around the Kimcote and Walton area on 18th November, PC Glover located a broken down vehicle on the Gilmorton Road just outside of Kimcote. The driver had suffered a blown out tyre and to top it off her phone had also run out of battery.

Thankfully being at the right place at the right time meant the vehicle could be safely recovered on the dark countryside road and the driver taken home by recovery.

### ASB Patrols:

The local beat team have completed ASB patrols and checks of the local parks and industrial estates around Broughton Astley to make sure things are running smoothly during these darker nights.

After reports of vehicle noise around the Swannington Road estate, checks have been completed for this area and this remains an on-going patrol. Should you have any issues or wish to report ASB or vehicle problems to the police, please check our website.

### Confidence Survey:

Below is the link and QR code for the police confidence survey. If you have time and are able to fill it in please do. Many thanks

### Darker Nights Campaign:

🏠 Residential burglaries can be deeply upsetting. It can be traumatic to lose valuable and sentimental items from your home and the thought of a stranger invading your property is distressing.

🔒 Protect your home against opportunist burglars by remembering to lock up and light up.

🌙 These darker evenings can provide the perfect cover for burglars who can easily spot an insecure window or door, or valuable left in plain sight.

👉 Check out our other advice on how to keep your property safe: [Keep burglars out of your property | Leicestershire Police \(leics.police.uk\)](https://www.leics.police.uk/keep-burglars-out-of-your-property)

🚧 Install strong fences and gates and make sure that they are always locked. Consider adding trellis and spiky plants to the fences to make it difficult for burglars to climb over them.

📹 Consider installing external CCTV cameras or video doorbells. Always lock your windows and doors when you are in and out.

💡 Try to make your house look as occupied as possible when you are not there. Use automatic timer switches to turn lamps on and off sporadically.

🔑 Do not leave your house and vehicle keys in the lock or on a side table in view of a window or next to a door. If you wish to obtain a faraday pouch you can visit a police station and ask for a car key pouch.

🔒 Check your UPVC or Euro Cylinder door locks to see if they're snap resistant. It should be stamped with a three-star kite mark. For more information on this please visit the Leicestershire Police Website.

☂️ Do not leave items in open porches that could be used to enter your home such as curved-handled umbrellas. These items could be used as "fishing" implements to use through a letter box or open window.

📰 If you're going away, cancel newspapers and milk. You could also ask a trusted neighbour or friend to keep an eye on your property and take your post inside.

💡 Use external sensor lights on your driveway / rear garden.

🌿 Think about increasing the visibility of the entrances and exits of your home. Consider cutting back and removing large plants and bushes that restrict visibility from the road.

## Survey

# Survey

The QR Code will direct you to a Neighbourhood Link Survey regarding what the top issues are that affect you in your community.

The survey is vitally important to make sure we are tackling issues that are important to you so please take a few minutes to fill this out.

Or you can follow the link below—
