

# Sanderstead Newsletter

## Ward Priorities

### Burglary

To visit every burglary on the ward. To maintain and reduce residential and non-residential burglaries across the ward.

### Vehicle Crime

To visit victims of vehicle theft. To reduce motor vehicle crime - including theft of and theft from motor vehicles.

### Community Engagements

To engage with members of the community ranging from youths to the elderly.

## **What is a Safer Neighbourhood's Teams (SNT)**

Your Safer Neighbourhood's Team (SNT) is a group of Met police officers dedicated to serving your community.

The team is made up of officers based in your area (or 'ward'), supported by additional officers from the wider area. We work closely with local authorities, community leaders and residents to decide our policing priorities for the area.

This helps us to find useful, long-term solutions to local problems, while maintaining our wider focus on reducing crime across London.

## **The April News Brief...**

The following marked April's news run of the events happening in and around our ward of Sanderstead.

Springing us off was our speed gun operation, that came up because of multiple complaints from our residents regarding inconsiderate driving and vehicular anti-social behaviour.

The noted hotspots and postings came along Onslow gardens, Wentworth way and Norfolk Avenue all yielding a total of 27 stops and 14 of these traffic offense reports handed out to them because of their breaches.

The work around this is set to continue in conjunction with our normal duties, especially given the results of day but also most importantly to address our residents' concerns about vehicular crime and anti-social behaviour.

## **Engagement Line?!!**

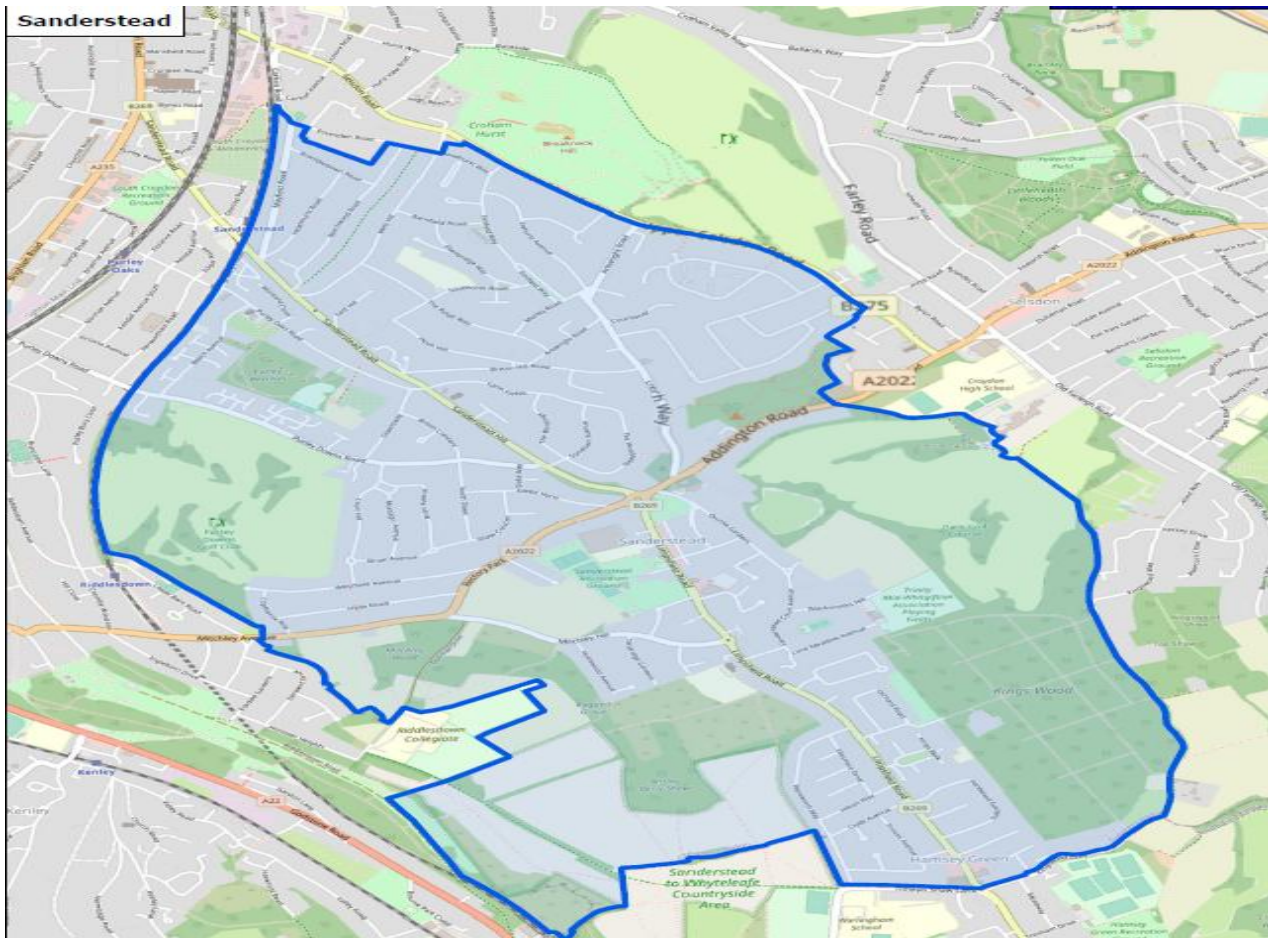

On the point of community engagement, which is one of our set ward priorities, we attended our quarterly ward panel meeting that is centered around listening and tending to any of our ward panel members queries and concerns around our ward stats covering a 3-month period.

In line with above, we would like to pass on a big thank you to the residents that took an active part in participating in our last round of the ward panel meeting but would also like to urge more residents to come along in addition to the already existing numbers and collective voice of the Sanderstead community.

We were able to tap in with the local brownies' scouts club for an engagement hour with the young people of Sanderstead to speak about our role in the community and share ideas with them about improved policing practices in relation to any feedback from them.

**TOO GREAT FOR HATE**

Greater Manchester stands together against hate crime. [LetsEndHateCrime.com](http://LetsEndHateCrime.com)

### Neighbourhood Watch

Neighbourhood Watch is about people getting together with their neighbours to take action to reduce crime.

They're community initiatives owned and run by their members which are supported by the police but not owned by them, although we sometimes run them.

They work by developing a close relationship between community members and the local police.

Neighbourhood Watch schemes can:

- cut crime and the opportunities for crime
- help and reassure those who live in the area
- Encourage neighbourliness and closer communities
- Go to [www.cbnwa.com](http://www.cbnwa.com) to find out what groups are active in your area and to register to join.

We organize contact points sessions, which are face to face sessions that members of the public can attend and discuss any concerns you may have with local officers

Please see dates, times and locations.  
Please let us know if you plan on attending.

**Residential Burglary 01<sup>st</sup> April – 30<sup>th</sup> April 2026.**

<b>Crime Type</b>	<b>Date/Time Patterns</b>	<b>Road</b>	<b>Circumstances</b>
<b>Residential Burglary</b>	02/04/2026 at 11:07Hrs	<b>Brian Avenue</b>	Concerned resident wanted to report suspicious behaviour of individuals in a vehicle that was parked outside their home address taking photos of their 2 new cars on the driveway
<b>Residential Burglary</b>	17/04/2026 at 14:00hrs	<b>Harvest court, Orchard Road</b>	Victim reported an intruder forcing her way into the victim's home under false pretense of being a care worker from Care-co. the suspect has then ran off with the victim's bank card

**Theft of a Motor Vehicle 01<sup>st</sup> April – 30<sup>th</sup> April 2026.**

<b>Crime Type</b>	<b>Date/Time Patterns</b>	<b>Road</b>	<b>Circumstances</b>
<b>Theft of a Motor Vehicle</b>	01/04/2026 05:34hrs	<b>Tudor close</b>	Victim reported her vehicle stolen.

**Theft from a Motor Vehicle 01<sup>st</sup> April – 30<sup>th</sup> April 2026.**

<b>Crime Type</b>	<b>Date/Time Patterns</b>	<b>Road</b>	<b>Circumstances</b>
<b>Theft from a Motor Vehicle</b>	01/04/2024 at 11:32hrs	<b>Onslow Gardens</b>	Suspects drilled into the victim's van and stole their power tools. All of which had no tracking
<b>Theft from a Motor Vehicle</b>	01/04/2026 at 12:05hrs	<b>Beechwood Road</b>	Suspects broke into the victim's van and have stolen his working tools
<b>Theft from a Motor Vehicle</b>	14/04/2026 at 10:25hrs	<b>Church Way</b>	Victim has reported that while he was working on a property site, suspects broke into their van and stole a personal briefcase steel bag
<b>Theft from a Motor Vehicle</b>		<b>Church Way</b>	Victim's father noticed their number plates missing from their vehicle while they were away on holiday in Turkey.
<b>Theft from a Motor vehicle</b>	16/04/2026 at	<b>Hook Hill</b>	Victim reported their registration number plates stolen
<b>Theft from a Motor vehicle</b>	19/04/2026 at 04:00hrs	<b>Purely Oaks Road</b>	Report from victim indicated someone drive up on their driveway and

			removing number plates front and back from a vehicle on the victim's driveway.
<b>Theft from a Motor Vehicle</b>	22/04/2026 at 07:04hrs	<b>Hyde Road</b>	Victim's full fuel tank was stolen out of their van overnight.

A record high in theft from motor vehicles has prompted us to take work specific actions both in the background and through our newsletter pages.

In keeping with the fight against crime and looking positively ahead, we will leave and continue sharing our old material around preventative tips that specifically touch on theft of and from motor vehicles.

### 1. Lock your vehicle

Locking your vehicle, even when filling up or parked on your drive, greatly reduces the possibility of it being targeted by an opportunist thief. Even if you have locked your vehicle, check you haven't left any windows or the sunroof open.

It is illegal to leave your vehicle running unattended while you de-ice it or warm it up in cold weather. If someone takes it while it's left like this, your insurer won't pay out because you won't be covered.

If your vehicle has wing mirrors that fold in automatically when locked, make sure you lock it properly. Criminal gangs are looking for vehicles like these where the wing mirrors are still out because it is clear to them that the vehicle has been left unlocked.

### 2. Keep the keys safe

Vehicles today are by and large more difficult to steal than ever, unless the thief can access your key or fob to clone them. Keep your keys safe, out of view when at home, and away from your front door. It's not uncommon for car keys to be stolen from inside your home by thieves fishing for them with a stick and hook through the letterbox.

If you're selling your car and you meet up with a potential buyer, do not allow the keys out of your sight. Your keys may be cloned by thieves and used later to steal your vehicle.

#### Keyless entry

Cars with keyless entry unlock automatically when the key comes within a short distance of the car. This can be from inside a pocket or bag. If you have to push a button on your car key to open your car, you don't have keyless entry. Keyless car theft or 'relay theft' is when a device is used to fool the car into thinking the key is close by. This unlocks the car and starts the ignition.

Thieves only need to be within a few metres of your car key to capture the signal, even if it's inside your home. This means that even if your car and home are secure, thieves can still unlock, start and steal your car.

#### How to protect your keyless entry car

- When at home keep your car key (and the spare) well away from the car.
- Put the keys in a screened or signal-blocking pouch, such as a Faraday Bag and check if the bag or pouch is still working every few months.
- Reprogramme your keys if you buy a second-hand car.
- Turn off wireless signals on your fob when it's not being used.

Additional physical security such as locks and immobilisers are still highly recommended. [Section six](#) on this page has more information about this.

### 3. Be aware of carjackers

The fact that you're in the car isn't always a deterrent to someone trying to steal it.

In traffic, drive with the doors locked and when queuing leave enough space in front of your vehicle to enable you to get out of a tight spot. If your vehicle is bumped from behind, wait to pull over – somewhere safe and preferably where there are people. After all, you don't know the person who has collided with you; they could well be hijackers. If you're at all suspicious, consider calling the police.

If someone threatens you, it's better to hand over the keys to the vehicle than become a victim of assault. Then call [999](#) as soon as possible and ask for the police.

If your car is stolen, some modern vehicle alarm and tracker systems have the facility to isolate or shut down fuel systems, bringing the vehicle to a halt and leaving the thief high and dry.

### 4. Park responsibly

It's always advisable to avoid parking in dark and secluded areas. It's worth an extra five or ten-minute walk if it means your vehicle is left in a well-lit and busier street.

And if possible, always try to park in illuminated and staffed car parks or those with a park Mark safer parking award. To find one, simply check out [Park Mark](#).

### 5. Watch for illegal tow trucks

Thieves often attempt to lift vehicles from the street, literally. So, if you see a towaway crew acting suspiciously – especially if their vehicle isn't branded or if they're not in uniform – then please report it immediately.

As with every report of suspicious behaviour made in good faith, we'll never blame anyone for calling us if it proves unfounded.

Car parks with height-restricted entrances help prevent illegal tow trucks and removal vehicles. And fitting a [Thatcham rated](#) category 1 or 2 alarm system with tracking, immobilisation, anti-grab and movement sensors can help protect and trace your vehicle.

### 6. Fit good in-car security locks

Additional physical security can help to prevent your vehicle being driven away even if a thief gains entry. There are a range of security rated products tested by [Sold Secure](#) that can help, such as steering wheel locks, pedal boxes and gear stick locks.

Some of these products, tested to Sold Secure Diamond, can even resist a small hand-held angle grinder.

It's also worth speaking to your vehicle dealership about installing an aftermarket immobiliser approved by the manufacturer.

Immobilisers prevent a vehicle from starting unless the correct fob, key or activation process is used. They can be personalised so that you're the only one who knows how to unset it via a number of dashboard controls.

### 7. Double-check electronic locking

Electronic devices can be used to jam the electronic signal from your key fob to lock your vehicle. Always manually check your vehicle has locked before walking away.

If unsure, lock it manually, then scan the immediate area for anyone hanging around. If a potential thief who's watching

feels they've been spotted, they'll probably move off.

#### 8. Before owning, check for cloning

Changing the identity of a vehicle, known as vehicle cloning, can be as simple as adding stolen number plates. When buying a vehicle, always check the DVLA V5 document and make sure the Vehicle Identification Number (VIN) on the vehicle is the same as on the document.

Make sure you check more than one of the VINs as well as the engine numbers on the vehicle (see diagram).

[Check a used vehicle you're buying.](#)

#### 9. Secure your port

Many modern vehicles are fitted with engine management diagnostic ports, which can unlock and start your vehicle. If your vehicle has this type of port, consider fitting a lockable cover.

A determined burglar can be difficult to discourage. Good-quality doors, windows and locks are excellent deterrents, but there's even more you can do to slow down burglars in their tracks.

## **Our Extra Bits...**

### **MET Engage, so why sign up?**

The platform will allow you get timely alerts on crimes, scams and fraud in your area, safety tips and prevention advice, local officer updates on community events/or detail and lastly, you will have a platform to help you voice your concerns to help shape local policing priorities.

Met Engage supplements, but does not replace, official reporting channels i.e. contacts such as (999,101 and the police online submission form). Your data will also be kept secure and used for sending relevant trusted information.
