Alcester Police SNTs. Latest Weekly Report. Sunday 1st February 2026

Based at Alcester Police Station, The Safer Neighbourhood team's primary roles are around crime prevention, problem solving both long standing or emerging issues of community concern and community engagement. We are supported at Alcester by colleagues from Patrol teams whose role is to respond to incidents and investigate crimes that occur in the area 24/7. The SNT is supervised by Inspector Jake Kibblewhite who leads on Neighbourhood Policing for Stratford District and Sgt Ebbs who also oversees neighbourhood Policing in the Shipston on Stour area. The Alcester SNT currently consists of 2 Police officers and 5 Police Community Support Officers, and our contact details are shown above.

Hello all.

This is our latest combined weekly report and prompt to see if you have any questions, suggestions or concerns for the Alcester Police Safer Neighbourhood Teams. Thank you to those that have contacted the Teams this week. If you would like to be removed from this local email circulation list, please let me know asap. This report will also be sent out on the Warwickshire Connected alert system.

For operational and privacy reasons not all the incidents that occur on the Alcester area are listed in this report, although they are recorded on police systems. Please remember to report any anti-social behaviour, suspicious activity or crimes to us as soon as possible - this can be done via the 101 and 999 telephone numbers or if not an emergency via our online reporting forms that can be found on our website. If you have any information or cctv footage that may relate to the incidents listed, please contact us.

Studley Man Charged with Supply of Drugs

Our fellow officers over the border in Redditch stopped and search a vehicle as well as the two male occupants. One of those is a local resident of Studley. Both persons were arrested upon the discovery of Class A drugs, cash and suspected burner phones. Both males have been interviewed and have been charged to court to face trial.

Reports of Hare Coursing

The Rural Crime Team have recently received reports of Hare coursing near to Alcester and Lutterworth.

Hare coursing tends to start after harvest when fields are left without standing crops up to Springtime. Coursing is more likely to take place at dawn or dusk, but it can also take place in broad daylight.

If you see an event taking place, we advise you not to approach the participants but to contact the police immediately on 999. If it is safe to do so it would be helpful to pass on further information regarding potential vehicles involved, descriptions of people and/or dogs and a what 3 word of the location, but only if it's safe to do so.

Police thank public for helping make our roads safer.

Police are praising members of the public for their vital role in improving road safety throughout 2025, after thousands of suspected driving offences were reported via our Operation Snap initiative.

Over the past year, 3,553 videos of moving traffic offences were submitted for review by our Road Safety Officers. These reports have helped us take action against drivers who put others at risk.

The most common offence captured was careless or dangerous driving, with 1,339 suspected incidents reported. Close passes, where drivers overtook cyclists or horse riders too closely and often too fast, were the next most frequent, with 993 reports.

Submissions came from all road users:

Drivers: 1,821 reports

Cyclists: 1,257 reports

Pedestrians: 253 reports

HGV drivers: 99 reports

Equestrians: 58 reports

Thanks to this public support, positive action was taken in 66.3% of cases:

27.8% resulted in a Notice of Intended Prosecution (NIP)

38.5% led to a formal warning letter

Action taken Op Snap 2025

Unfortunately, 33.7% of cases could not be progressed, often due to insufficient evidence, but we always explain the reasons to those who submit footage.

Most submissions were made during the summer months of May to July, reflecting the seasonal increase in cyclists, pedestrians, and horse riders on our roads.

PC Ken Bratley, who oversees Operation Snap, said "We would like to thank the public for submitting their footage of moving traffic offences. Your efforts are helping us make our roads safer for everyone."
