Possible Variation to Courier Fraud

South Wales Police have reported a new variation of Courier Fraud.

A victim had £16,000 stolen out of their hands on their doorstep by someone pretending to be a police officer.

The victim was telephoned earlier in the day by someone claiming to be a police officer, who instructed the man to withdraw the cash before somebody arrived at his house and "snatched the money".

Although we have not seen any reports of this type of method in Kent, it is always worthwhile being aware of possible new emerging trends.

The Police will NEVER ask you for financial details on the phone or request to collect your card or cash or gold as part of an investigation.

Remember the ABC of Scam Awareness and Never Assume or Believe a call is genuine and always Confirm. If you get an expected call from someone claiming to be Police or any other organisation, then take their details and end the call.

Then call back using a different phone if available. If another phone is not available, then wait 5 minutes and ring a family member or friend to ensure the line has been disconnected and then ring 101.

Never call a number they have supplied and never ring 999 whilst still on the call with them. You must always disconnect the call first before ringing 101. Watch - Courier Fraud Warning: Courier Fraud Warning: Stay Wise, Don't Compromise
