**You said:** Providing regular school patrols at MILE END Ward.  
**We did :** Mile End SNT officers were conducting regular and visible school patrols at St.Paul's Way Secondary School, E3 and Central Foundation Girl School, Bow Road, E3 and actively checking on children's and student's welfare as well as making efforts to keep these busy areas as safe as possible for everyone.

Police Officers from **MILE END SNT** were conducting regular patrols, stop and searches and were arresting numerous suspects committing offences in the local area in order to keep our neighbourhood as safe as practically possible.

Mile End SNT Officers were conducting many home visits and meeting our local residents to help solving such issues affecting local community as parcel thefts or lost/abandoned vehicles. We conducted welfare checks on our local residents and were providing reassurance visits as some residents highlighted they were approached on the street by individuals asking them for money.
