- Speeding (10 votes on Neighbourhood Link (NHL)). Between 01/12/2025 and 31/12/2025 the mobile speed camera visited Lubbenham Hill twice. In total twenty one offences were detected.
- Anti social behaviour (10 votes on NHL) - identifying individuals causing the anti social behaviour. Passing their names to the council to start the incremental approach. Targeting areas of known ASB activity.
- Drug dealing (11 votes on NHL) - We have been conducting plain clothes patrols in areas we are told drug dealing is an issue. We collect intelligence from residents and CrimeStoppers and apply for magistrates warrants and conduct drugs raids on those we suspect of dealing in drugs. We encourage anyone to report drug dealing to us anonymously through CrimeStoppers.

This month local officers enforced a warrant secured by your neighbourhood team. Inside a local business premises, officers located over 500 cannabis plants and internal damage to the building. The site was processed by a police forensics team and the investigation commenced into those linked to the scene. This was a huge disruption to drugs being produced in our community.

It is also a reminder that information from our community is vital in securing finds like this.

You can report any information about drugs via 101, online on our website. Alternatively, you can stay anonymous by contacting Crimestoppers on 0800 555 111 or via their online form at crimestoppers-uk.org.
