There have been a number of break-in's to rural locations on Bottrells Lane, Chalfont St Giles recently. Your local NHPT have already been conducting patrols in the area but we are asking our local residents to help us by remaining vigilant and reporting any suspicious behaviour to the Police. If you own stables or farm land and would like any crime prevention advice or a visit from a member of your local Neighbourhood Policing Team, please make contact with us through calling 101 or by filling out the online reporting form on the Thames Valley Police website.

A Fixed Penalty Notice for obstruction issued to this vehicle on [#BlincoLane](#) [#GeorgeGreen](#) completely blocking the pavement [#C6801](#)

Following the disorder in High Wycombe on Saturday, there will continue to be an increased police presence in the Castlefield area to keep people safe.

The Section 60 order, which temporarily extends our powers to stop and search people, ends at 7pm today.

However, we remain in the area to provide reassurance to the community so please speak to a uniformed officer if you have any concerns.

Anyone with information about the disorder should 📞101 or make a report on our website, quoting 43250101777.

Alternatively, you can provide information anonymously to independent charity [Crimestoppers](#) by calling 0800 555 111 or via its website.

🚨 We are appealing for witnesses to the incident of public disorder in High Wycombe yesterday.

Eight men were involved in the disorder in the Rutland Avenue and Spearing Road area at around 5.20pm. We have arrested five men so far, two of whom are in hospital with serious injuries.

The Section 60 order enacted in the Castlefield area has been extended for a further 24 hours to prevent further violence, so is now due to expire at 7pm tomorrow.

We understand this disorder may be concerning for the community but we believe those involved were known to each other and we do not believe there is any threat to the wider public. Nevertheless, we have put the Section 60 order in place and increased patrols in the area while we continue to investigate the incident as a priority.

Any witnesses, anyone with information and anyone with footage or images relating to the disorder should 📞101 or make a report on our website, quoting reference number 43250101777.

We expect to stand down our cordon at the scene soon too.

PCSO Allport and PCSO Dyer spent the morning at Newtown Infant School in Chesham today speaking to Reception, Year 1 and Year 2 classes about the Police, what we do and how they can stay safe. They learnt about which number to call in an emergency, how we can help them and of course they loved being able to see the police car with the lights and sirens on!

Local NHPT attended an Historical Event at the [#PolishAssociation](#) [#StokePoges](#) today. Great to be invited and be a part of this annual event engaging with the local community. [#C6801](#) [#C7958](#) 📷 🚗

On recent patrols in [#ChalfontStGiles](#), two vehicles were completely blocking the pavement on Parsonage Road just outside St Giles Junior School - causing pedestrians to walk in the road. Both received fixed penalty notices for unnecessary obstruction 📄

Remember: pedestrians must be able to use the pavements so please consider the safety of ALL those using the pavement including residents, those walking to and from school, dog walkers, wheelchair users and those with pushchairs. Double parking and parking over dropped curbs is also not acceptable. Leave enough time at dropping-off and picking up-times to find a suitable and safe place to park 🚗

PC's Dollery & Woolley also patrolled Wycombe and Marlow. Another caravan being towed was stop checked, this one was in order 🚚

### Special Constabulary Update

Last night over 2/3's of our Specials met at Aylesbury for a local training evening - our first since we became Bucks LCU and a rare opportunity for us to come together as a whole team. [#oneteam](#)

Did you know, Specials complete the same mandatory training as our regular colleagues, as set by the College of Policing? This includes annual 2 days of Personal Safety Training and 1 day Emergency First Aid.

Last night however we built on our core learning, by receiving an input from the National Centre for Domestic Violence, outlining the free services they provide to victims of Domestic Violence & Abuse, and how these can complement our policing powers. <https://orlo.uk/Lfm0E>

This was followed by a discussion on the wellbeing services available internally to TVP staff and how we manage mental trauma associated with the various incidents we and other emergency services colleagues may attend. [#mentalwellbeing](#)

The evening finished with a talk from CSI on current best practice of obtaining forensic evidence at crime scenes, delivered as a walk-through of one of the LCUs more recent historical major crimes.

This coming weekend we'll be out supporting our regular colleagues as usual, finding opportunities to put our new learning into use.

📍 MARLOW NHPT ONLINE SAFETY AT BURFORD SCHOOL 📍

PCSO Chris Bis at Burford School Marlow Bottom, helping to educate Year 6 pupils with how to keep themselves and others safe, with mobile 'phones, online and social-media.

Aims:

- 🚨 To help understand and deal with 'peer-pressure'.
- 🚨 To understand the effects of social-media communications.
- 🚨 To know what to do with unwanted messages and/or pictures.
- ✅ If something doesn't feel right, block it/report it.
- ✅ If you have to question whether you should be sending or doing something, you probably shouldn't.
- ✅ Know how to keep yourself and others safe to help ensure you are not a victim of crime.
- ✅ Limit/balance your time on social-media.
- ✅ Adhere to age appropriate social-media platform conditions.
