## **FRAUD warnings**

Every music and sports fan knows that often, tickets for gigs, festivals, big games and tournaments sell out very quickly. To avoid disappointment this summer, you might turn to social media, online marketplaces or fan forums to look for tickets. You may get lucky, or you may get scammed, which is even more disappointing as not only do you miss out on tickets, you also lose your hard-earned money.

In a ticket scam, the seller tells you they'll post or email the tickets as soon as you've transferred the money to their bank account. But when you try to contact them after nothing's arrived, they've disappeared into thin air. Chances are, dozens of other people have fallen victim to the same fraud.

Before buying tickets this summer, check out the expert advice on our website: [Buying and selling tickets – your safety guide - Get Safe Online](#)

## **Engagement**

Fun day at CUDDINGTON FETE - A big thank you to everyone who spoke to us and took the time to complete a resident voice survey. We received 41 completed surveys, which will help play a key role in helping us better understand your concerns many of which related to our ward. To have your say, complete our survey link attached- <https://www.cheshire.police.uk/residentsvoicenorthwich>

Lovely engagement with members of the faith community at St Mary's Church this morning. It was great to meet BISHOP Sam following the service.

A reassurance visit has been made to a member of our community living with dementia, working alongside their family to complete a Herbert Protocol form. This proactive step can save vital time and provide critical information to emergency services in the event the person goes missing or becomes confused about their whereabouts. If you know someone who may benefit from completing a Herbert Protocol form, please contact your local PCSO, who will be happy to assist you with the process. Alternatively, the form can be completed online via the following link: <https://www.cheshire.police.uk/advice/advice-and-information/missing-person/missing-persons/vulnerable-people-at-risk-of-going-missing/dementia-missing-risk-herbert-protocol/>

A lovely afternoon spent with the ladies of CUDDINGTON & SANDIWAY WI celebrating 80 years since VE Day - 08/05/1945. Thank you to CWAC Cllr EDWARDS for the kind invitation.

## Engagement

PCSO Di and I attended Greenbank School's Diversity Festival! Students enjoyed a sunny, fun-filled day packed with learning and excitement, including:

Face painting

Live music from a local band

A visit from The Owl Man with Hollie the Barn Owl, Sam the Eagle Owl, and Chrissy the skunk

Burgers & chips

Delicious ice creams

A lively fun run

An outdoor disco under the sun

Exploring a police vehicle and trying on police uniforms

So many happy smiling faces as students dressed up as officers and sat in the patrol vehicles.

A Big thank you to G & B Accessories for assisting with my bike maintenance — truly appreciated! Great community support.

Following reports from the community about youths drinking on the muga in CUDDINGTON, a patrol was conducted. Evidence of alcohol consumption was noted, with empty vodka bottles found in the waste bin provided. No broken glass was seen in the area. Further ASB patrols across our ward will be made.

The Royal Cheshire County Show 2025—I had the pleasure of assisting at the Cheshire Show stand, representing Cheshire Police. We enjoyed two glorious days engaging with many visitors who took the time to share their thoughts and concerns through our Resident Voice surveys. A big thank you to everyone who came to see us – your input is truly valued!

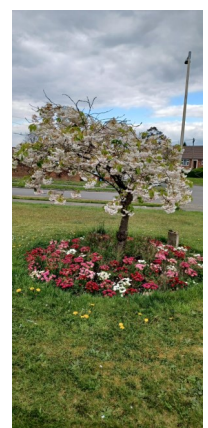

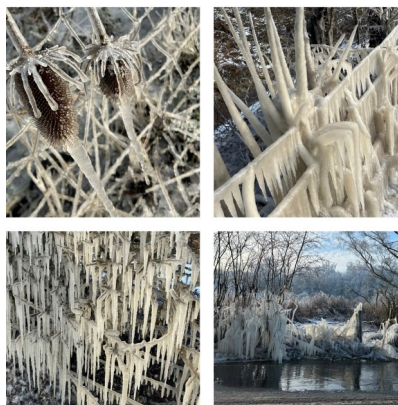

Following concerns raised about speeding on ASH ROAD outside CUDDINGTON PRIMARY SCHOOL, I carried out speed monitoring this week. The highest recorded speed was 24 mph. Police warning letters issued to drivers exceeding the 20 mph limit. Whilst in the area, a driver was politely asked to safely relocate their vehicle, which was obstructing the whole footpath.

## **PATROLS**

Lovely walking around Cuddington with WVHT Housing Officer, starting from Sandiway Library. We had some really valuable chats with local tenants about their concerns— thanks to everyone who took the time to speak with us! We also stopped to enjoy the beautiful wildflower garden by the library, full of colour and buzzing with bees. For more about the wildflower planting scheme as linked ' Wildflowers - <https://www.cheshirewestandchester.gov.uk/residents/streets-and-open-spaces/wildflowers>

Residents of FERN WAY met with CWAC Councillor EDWARDS, the WEAVERHAM Parish Clerk, a CWAC Enforcement Officer, and myself to discuss parking concerns within their close and explore potential solutions. Further meetings will be arranged in due course to continue addressing the issue.

A concerned member of the public attended the PCSO office at The Lighthouse Church Centre to report ongoing issues involving a motorbike being ridden dangerously in the Well Lane / Farm Road area. The motorbike is reportedly very loud and is being ridden between 5:00 PM and 6:00 PM on the public highway by an unknown male rider without a helmet, often carrying a male or female passenger also without helmets. Patrols were carried out in the area but no trace of the motorbike or individuals was found. If you have any information regarding those involved, please contact me [Michelle.Gillett@cheshire.police.uk](mailto:Michelle.Gillett@cheshire.police.uk) Officers will look to provide words of advice, and if seen by police, a Section 59 warning will be issued. Continued misuse may result in the seizure of the vehicle.

Great to see a young family enjoying themselves flying a kite on the hill near Weaver View – a great reminder of the positive use of our shared spaces.

A bicycle has been found at Weaverham Community Centre. If you believe it may be yours, please contact the centre directly with a description.
