BEAT PRIORITIES

Burglary: Beat officers to put up footprint on ALL residential burglaries and ensure safeguarding for the occupants and that support is in place. Offer alarms where necessary and victim support where needed. Beat officers to support with CCTV/Statement enquiries where demand allows and ensure safeguarding reports are completed to those who need it.

Road Safety, Drug Dealing: As a team we are planning on increasing the road safety operations such as Belgrave Road. Working with partner agencies, and we are working on this to aid education around road safety and the impacts RTC's have on everyone involved. We will be looking at enforcing on illegal E-Bikes and E-Scooters.

Street Drinking and General ASB: Officers conducting active high visibility patrols within known hotspots areas. Robustly gathering details where possible of those involved in ASB. Repeat offenders will be dealt with via the incremental approach. Beat Team working with local council and CAP partners to tackle street drinking within the area. Drug dealing/cuckooing has become apparent on the area and officers remain vigilant.

ATM distraction Thefts: Increase visible and covert patrols around high-risk ATMs, especially during early morning hours when thefts often occur.

#YouSaid - What matters to you

BELGRAVE – Street drinking

Officers from the Belgrave Neighbourhood Team partnered with a Turning Point officer to engage with local businesses and members of the community.

We spoke with premises owners

Connected with residents

Engaged with street drinkers, offering Turning Point support services and advice

Working together to tackle issues and provide help where it's needed most.

INCREASED POLICE PRESENCE

Officers from the Belgrave team are tackling hotspot areas with high-visibility patrols, ensuring a strong late-night presence to deter crime and anti-social behaviour.

PC 865 engaging with store owners and customers, offering crime prevention advice and tips to help keep everyone safe.

WE ARE COMMITTED TO BEING VISIBLE, ACCESSIBLE, AND RESPONSIVE.

VEHICLE OFFENCES

Beat team attended St Patricks School, Harrison Road, PC 1327, 2030, 865 and PCSO 6168 advised several drivers regarding parking and recovered 1 vehicle for being parked in a dangerous position. It was good to speak to the school children, parents, teachers and local residents. One little furry friend was also given lots of attention!

VEHICLE OFFENCES

Double act... PC Thomas1327 & PC 2030 Thomas teamed up for a double dose of justice and recovered a stolen van on Belgrave Road.

Looks like the van tried to go on an unexpected adventure but ended up in the "Impound Club" instead.

CHRISTMAS FOOD PARCELS

The local Beat Team PCSO Karen & PC Nicky, along with PCSO Joshua, PC Kim, Sgt Hogan, PC Marcus & PCSO Martyn carried out one of their favourite duties just before Christmas!!

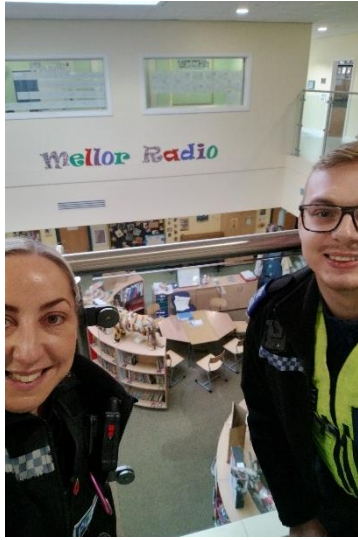

Every year Jean Williams, MBE, Chair of St Matthews Tenants Association, organises over 100 food parcels for some of our elderly and vulnerable residents. The police team then deliver the gifts.

This is a great opportunity for us to engage with the community and make sure everyone is well.

Lots of agencies and individuals kindly donate to the parcels.

Special thanks to Jean Williams for her on-going, tireless support of the residents of St Matthews every day.

MELLOR PRIMARY SCHOOL

Hate Crime Awareness at Mellor Primary school
You Said: We need more education for young people about hate crime, bullying, and staying safe.

We Did: PCSO Joshua, PC Thomas, and Hate Crime Officer Alison visited Mellor Primary School to deliver hate crime awareness workshops to Year 3 & Year 4 students.

It was fantastic to engage with the pupils and provide important education on respect, inclusion, and safety.

Together, we're building a safer and more supportive community!

CATHERINE INFANT SCHOOL

Catherine Infant School "Meet People That Help Us" day....PCSO Joshua & PC Thomas visited to engage with the young children and explain the role we play as a police service. The children especially loved seeing the police car's flashing lights and learning about how to stay safe!

Building positive relationships and connecting with the next generation!

A MESSAGE FROM THE INSPECTOR...

**East Leicester NPA
Commander Inspector
Mr Charles Edwards**

And as we come to the end of 2025. It's been a pleasure to see many of you out at events including my monthly patrols and I'd welcome you to come say hello to one of the team or myself and let us know what you think!

Having now been fortunate enough to lead the neighbourhood team across East Leicester for nearly two years it has now started to sink in just how brilliant our local communities are in terms of their desire to make Leicester a better place and support their families, businesses and communities.

I have been fortunate enough to attend several brilliant events across the year including Remembrance Sunday, Ganesh, Eid, Vaisakhi and Diwali to name but a few to see our communities celebrate using their own blend of colour, music and dance.

Locally we have had some challenges in relation to some of the festivities including the Anti-Social use of fireworks and it is through striving to professionalise the process of organising street parties, processions and celebrations we have had to for the first time look to utilise criminal powers to deal with repeat offenders.

It is through the buy in of the communities and a communal understanding that legislation is there to support celebrating our cultures and communities, but with some much needed bureaucracy involved to ensure all are kept safe, that we are now in a good position going forward.

In stark contrast to the celebrations held 2025 has had some truly tragic incidents with terrorist attacks striking at the heart of our communities. Being at the vigil for those who lost their lives in the Pamalgam attack certainly hit home the impact that international events can have locally and never was this more truer shown than at the Hanukah event I was proud to attend which took place on the very same day as the tragic events in Australia where a number of people lost their lives and many more were injured.

It is through our local links, joined up working and willingness to support and empower each other that we will continue to strive to keep such issues as far away from Leicester as we can.

Thank you to those who have given Leicestershire Police so very much support, from those within our key individual networks and community leaders, through to the members of our local and strategic independent advisory groups who have helped give us a constructive review of what we do and a well needed perspective on how to improve.

**HAPPY
HOLIDAYS**
