

Coldean & Stanmer Ward Update -June 2026

Our focus and priorities in Coldean and Stanmer is:

 **Tackling anti-social behaviour**

 **Off-road motorbikes in park areas and being ridden anti-socially**

Drug use

The smell of cannabis is becoming an increasing problem in certain parts of Coldean and Stanmer. There have been numerous reports. We are currently using various tactics to deal with this, such as

- Regular patrols.
- Letter drops.
- Gathering information and intelligence from residents.
- Partnership working with other agencies.

If you have received one of these letters, please respond to us with any information that you can provide, so that we can take action effectively.

These priorities are based on community reports and patterns that we have observed through local engagement and patrols. Your feedback helps us target the issues that matter most!

You are our eyes and ears when we're not around and every report helps us keep Coldean and Stanmer safer. Together, we can keep our community safe, supportive, and welcoming for all.

How You Can Help

Your reports and feedback are vital, they help shape how we police the ward.

- **Report issues via 101**
- **Report online:** www.sussex.police.uk
- **Emergency: always dial 999**

Stay in Touch

We're committed to supporting our community, but we can't do it alone. Please continue to:

- **Report issues via 101 or online**

- *Engage with us when you see us on patrol*
- *Attend local meetings when possible*

Stay safe and thank you all for your continued support.

Ward patrols

We have been on continuous patrols and met a lot of new faces! If you do see us out and about then do, make sure to come and say hello as we would love to have a chat.

Ward Update

We have been proactively keeping our eyes out for the bike riders who are riding anti-socially in the area and as a result bikes have been seized! We will continue to monitor this closely.

Now that the weather is very hot and it is the prime time for anti-social behaviour, we appreciate the reports so please continue to report to us.

Thank you for your continued support on helping us make Coldean and Stanmer a better place! Please ensure to stay safe in the sun!

MEETINGS

Friday 7th August – There will be a meeting at St Mary Magdalen Church at 10am with Councillor Tobias. Please do come and see us if you have any concerns.

Friday 11th September – We will be down at Stanmer park conducting patrols and speaking with local businesses.
