Alcester Police SNTs. Latest Weekly Report. Sunday 22nd November 2026

Based at Alcester Police Station, The Safer Neighbourhood team's primary roles are around crime prevention, problem solving both long standing or emerging issues of community concern and community engagement. We are supported at Alcester by colleagues from Patrol teams whose role is to respond to incidents and investigate crimes that occur in the area 24/7. The SNT is supervised by Inspector Rebecca Wrighting who leads on Neighbourhood Policing for Stratford District and Sgt Ebbs who also oversees neighbourhood Policing in the Shipston on Stour area. The Alcester SNT currently consists of Police officers and Police Community Support Officers, and our contact details are shown above.

Hello all.

This is our latest combined weekly report and prompt to see if you have any questions, suggestions or concerns for the Alcester Police Safer Neighbourhood Teams. Thank you to those that have contacted the Teams this week. If you would like to be removed from this local email circulation list, please let me know asap. This report will also be sent out on the Warwickshire Connected alert system.

For operational and privacy reasons not all the incidents that occur on the Alcester area are listed in this report, although they are recorded on police systems. Help us keep Warwickshire safe this Christmas.

We are urging people to stay vigilant and report anything that concerns them as part of a new Winter Vigilance campaign.

With thousands of people expected to attend festive events and enjoy nights out across the county in the coming weeks, officers are reminding the public that everyone has a role to play in helping keep Warwickshire safe.

Chief Inspector Simon Ryan said:

"We will have extra officers on duty during the busiest periods over Christmas, as well as at the many fantastic festive events taking place across Warwickshire.

"We all have a role to play in keeping our communities safe. If you see anything that concerns you, or something that doesn't look right, no matter how small it may seem, please speak to a police officer, a member of security staff, or contact us.

"You will never be wasting our time. It's always better to report something and let us investigate. The information you provide could help prevent harm."

If you need to contact police in an emergency, always call 999.

For non-emergencies, you can report information online via the Warwickshire Police report page or by calling 101.

Alternatively, you can report suspicious activity anonymously through the government's Action Counters Terrorism (ACT) reporting service at www.gov.uk/ACT.

Keep an eye out for our Project Servator patrols - Project Servator aims to disrupt a range of criminal activity, including terrorism, while providing a reassuring presence for the public.

Our officers are experienced and specially trained to spot the tell-tale signs that someone is planning or preparing to commit an act of crime.
