→ If confronted, do not resist. Try to remember key details such as the attacker's clothing, direction of travel, or any vehicle used. Report all robberies immediately via 999

→ Keep doors and windows secured, even when home. Install visible deterrents such as CCTV and alarm systems.

Keep Burglars Out

Protect your home against opportunist burglars by remembering to 'lock up' and check on your neighbours.

Dark evenings can provide perfect cover for burglars who can easily spot an open window in an unoccupied room, see your valuables through open curtains or blinds, or try their luck with an unlocked door.
