Dear Ward Member

Please have a read of what the team have been doing.

South Ruislip Safer Neighbourhood Team continues to work with partners to tackle anti-social behaviour and improve safety at The Old Dairy. Following a number of disruptive and dangerous car meets, officers carried out street briefings and arranged a multi-agency meeting with Montane Partners, Workman, and Hillingdon Council's ASB Team. The meeting resulted in plans for enhanced security measures and site alterations to prevent unauthorised vehicle gatherings, while Montane Partners has also authorised the Council's ASB Team to issue Fixed Penalty Notices to those involved in future car meets.

The team has also been working jointly with Ruislip Manor Safer Neighbourhood Team to address persistent youth-related anti-social behaviour on Ruislip High Street and at The Old Dairy. Several youths have been identified and are currently under investigation, with a number already issued with Acceptable Behaviour Contracts. Following concerns that a damaged gate was being used to access the site between Arla Place and the Asda car park, Montane Partners and Workman installed new gates with improved locking mechanisms. Since these improvements were made, no further issues have been reported.

Officers continue to carry out intelligence-led weapon sweeps across the ward and recently attended the Remembrance Parade at the Polish War Memorial alongside colleagues from the London Fire Brigade. With the darker evenings now upon us, additional patrols are being conducted to deter burglary and provide reassurance to residents. Thank you to everyone for your continued support and for the valuable intelligence you provide, which remains vital in helping us tackle crime and keep South Ruislip a safe place to live, work and visit.
