

Wish ward update

Welcome to your monthly update for Wish!

PCSO LEAMAN & PCSO KNIGHT

Our priorities this month:

- Tackling anti-social behaviour
- Usage of E-Bikes/E-Scooter's
- Drug dealing

This month we have continued to see reports from the public regarding youth ASB, nuisance driving and drug dealing. We are working with the local councillors to try and prevent and deter these incidents from recurring.

An increase in Police presence will continue in **WISH PARK, HOVE LAGOON** and **BOUNDARY ROAD** to deter and deal with any youth disorder.

We are still seeing reports relating to anti-social driving along the **KINGSWAY** and around **HOVE LAGOON** regarding the use of E-Bikes. We require further reporting and any digital evidence to try and identify these individuals involved.

Finally, there appears to be a spike in reports of drug dealing in the western corner of the wish ward. Intelligence is being gathered, and days of action are taking place to tackle this issue.

Reporting to the police is critical for action to take place, please continue to do so via the channels listed below. This allows us to build an evidential picture and enables us to direct our patrols to hot spots.

STAY SAFE!

Upcoming Meetings/days of action
