## Nunhead & Queen's Road

### What we've been doing this month:

The Nunhead and Queen's Road Safer Neighbourhoods Team has delivered a series of significant policing outcomes over the past month, reflecting continued commitment to community safety and partnership working.

Safer Neighbourhoods officers PC Tracey and PC Holmes carried out a focused investigation that resulted in the identification of three suspects linked to multiple offences, including three thefts, three counts of aiding and abetting, and two robberies. Their work demonstrated strong investigative capability and effective case building.

In a separate incident involving a serious dog attack, PC Holmes led detailed intelligence enquiries, that enabled officers to locate a suspect and associated address. Working alongside PC Brewer and PC Tracey, the team arrested a man and seized a dangerous dog, preventing further risk to the public.

The team also continued its partnership support work across the ward. PC Tracey and PCSO Peduto undertook several enquiries and welfare checks on individuals identified as vulnerable, ensuring that partner agencies received timely updates and that residents received the support required.

The next Nunhead and Queen's Road Ward Panel meeting will take place on 4th February 2026.
