#WeDid - What we are doing

EAVA FM

This Month's Radio Visit – Tackling Jewellery Thefts & Crime Prevention Police community support officers attended EAVA FM to discuss recent distraction jewellery thefts and share important crime prevention.

A big thank you to EAVA FM for hosting — working together to keep Belgrave safe.

ENGAGEMENT

Belgrave officers pleasure of hosting a fantastic group of young people taking part in a local summer work experience programme, organised and facilitated by the office of Shivani Raja MP.

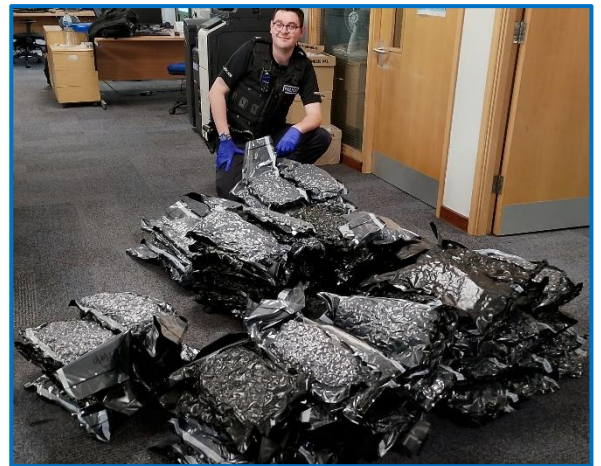

We spent a great hour giving them a behind-the-scenes look at local policing—showing them what's inside a police car, the day-to-day kit we use, and chatting about how we work to keep our community safe.

POSITIVE ACTION

Belgrave Neighbourhood Officer PC 158 have seized more than 85 bags of Class B drugs, removing them from our streets and helping to make the area safer for everyone.

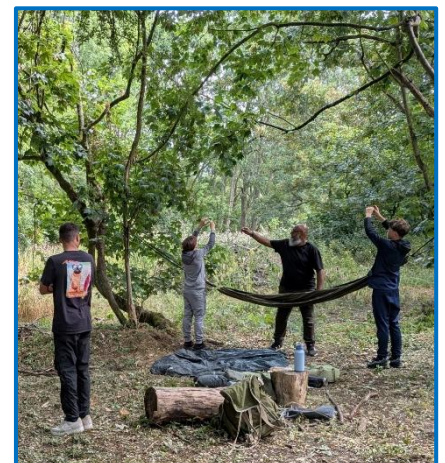

Your information helps us take action. Please continue to report any suspicious activity in your community.

YOUTH ENGAGEMENT

We did a Youth diversion day where we taught children some valuable life and social skills and showed them that they can still have fun even without mobile phones.

We taught them to put up hammocks and cooked some nettle tea.
