## Loughborough East Priorities

**We have listened to you and the concerns you raised, and will prioritise the following:**

**Priority:** Local Police are aiming to reduce Anti-Social Behaviour around the Warwick Way Estate.

**Action taken:**

The beat team will also be holding street consultations to show presence and allow residents to discuss any issues.

A problem management plan is still in place along side with Leicestershire Anti-social Behaviour Team. This will enable a multi-agency approach and structure to tackling the problems raised. This enables a multi-agency approach and a structure to tackling the problems, such as increase of patrols by officers, leaflet drops, events and engagements around the estate.

A multi-agency meeting has been set up to discuss the ongoing issues and how these could be tackled as a partnership with other key agencies. Alongside this, the issue will feature on the Loughborough East Delivery Group with sits monthly. Police continue to patrol the areas at the relevant times and will be holding beat surgeries to engage with local residents.

**Priority:** Police aim to tackle different elements of vehicles crime such as theft, TWOC and ASB caused by vehicles.

**Action taken:**

Police aim to tackle vehicle crime by the use of Problem management profiles. This will be targeted patrol times, both overt and covert in effort to reduce crime use of ASB with vehicles, disruption tactics on a wider scale using specialist officers.

Theft and associated offences will be targeted by pursuing reasonable lines of enquiry to assist identify and prosecute offenders in a timely manner. Community engagement continues within the beat and a specific police operation is in place to tackle vehicle crime in the area.

**Priority:** Police are developing and targeting people within the area that are drug dealing, exploiting vulnerable people by cuckooing addresses and causing anti-social behaviour from this type of crime.

**Action taken:**

We continue to gather intelligence from the community, providing a robust response by executing search warrants and proactively looking to stop those we believe to be dealing drugs, applying any necessary closures to stop the criminality and protect the public.

The beat currently have four partial closure order and one full closure order relating to drug and county lines and this allows us to protect vulnerable people.

Keep a look out on our social media platforms for updates around closure orders.

## News

The Loughborough East Beat would like to welcome our new PCSO Amey and PC Craig to the team, please say hello when you see them out and about. Amey started on the new cohort of PCSO's in April and is excited to get out on the beat and engage with residents. PC Craig has been a police officer for Leicestershire Police for 6 years and was previously a PCSO for 5 years in Charnwood. Craig has a wide range of knowledge in neighbourhood policing and is looking forward to working on the Loughborough East Beat.

Please take the time to visit the Leicestershire Police website in order that you can come and share your views, and help to develop the priorities that concern you. This can be done using the QR codes below.
