We've been out in the Eden Centre in High Wycombe today supporting our friends at Buckinghamshire Council for their Safeguarding Week, and we also took the opportunity to give out some advice on anti-social behaviour, home security and protecting yourself from scams and fraud.

If you missed us, panic not as we will be back again tomorrow morning (Tuesday 19th) for an hour, 10-11am outside the library, and we will be joined by representatives from 'Alternatives to Conflict' to answer any questions you have about dealing with ASB and the mediation service.

OP Grotto
We have had numerous crews out on OP Grotto this evening, along with the support of the dog unit. We attended a report of a suspicious person on Grange Road, in Chalfont St Peter. A person was stop checked, a small amount of cannabis was located. We also attended a report of a male in someone's back garden, on Ashmead Street in Aylesbury. Officers were quick to the area, but unfortunately nobody was located. Alongside attending calls, officers have been patrolling in Ashley Green, Beaconsfield, The Chalfonts, Gerrards Cross and Seer Green.

Neighbourhood Team alerted to a burnt out vehicle in the #Denham area. Officers identified it by chassis number, investigation begins. #C7958 #C9345 #C6801

With ongoing Anti Social Behaviour in Bottrells lane, Amersham / Chalfont, PcsO Benawra has been out on patrol as part of ASB week.

Come rain, sunshine or snow, your neighbourhood team is out and about conducting patrols in your local community, because we recognise how important it is to conduct patrols. Whilst we move into the snowier months of the years, please remember to remove any snow from your number plate. Whilst driving, your number plates must not be obscured or covered in anyway. #NHpolicing #P0354 #C9580 🚗 🚔 ❄️

As part of Operation Grotto, today our Priority Crime Team and Neighbourhood Officers have arrested two people in relation to Burglary's that have taken place in Chesham.

A busy and productive day for the team.

This is on the back of an increased presence of uniformed Police on foot patrol in the town centre targeting shoplifting and ASB. [#WycombeNHP](#)

Officers on OP Grotto are out this chilly evening, completing patrols in South Buckinghamshire, especially areas along the A355. Officers have also been responding to a suspicious vehicle in the High Wycombe area, suspected to be linked to burglaries. Whilst the weather is getting colder, this is not stopping our burglars from going out so remember these following tips:

- 🕒 use a timer to automatically turn lights on
- 🔒 double check you've locked all your doors and windows
- 🔒 make sure the side gate is locked
- 🕒 especially as we get closer to the holiday season, hide packaging for expensive items out of sight

👮 The Wycombe neighbourhood policing team have been busy with Anti-social behaviour awareness week, the national campaign for tackling ASB in the community. Here's some of what we've been up to so far:

👮 We've worked with Bucks council & one recovery Bucks for some joint patrols and engagement with vulnerable members of the community around the town centre

👮 We've been speaking with our retail community to understand how anti-social behaviour impacts their businesses and give them advice on reporting

👮 Several stop searches were carried out and numerous arrests were made in relation to anti-social behaviour

👮 We held a pop up police stand with a member of Bucks mediation to offer advice to local residents

👮 We have also held multiple talks with the local schools to educate our younger community on anti-social behaviour and community safety.

👮 For the rest of the week we will be carrying out high visibility patrols in areas we know to be most impacted by anti-social behaviour such as the Eden centre and local skate parks, we will also have an additional day of action targeting ASB this sunday

You can report ASB on 101 or via the Thames Valley Police website <https://orlo.uk/YL3ZJ> 📄

🚒 OP GROTTO PATROLS 🚒

🚗 There has been a big increase in burglaries over Buckinghamshire this past week, so officers from Priority Crime Team and Neighbourhood have been continuing proactive patrols this evening. Officers patrolled Iver, The Chalfonts, Beaconsfield, Amersham, Gerrards Cross and Denham.

🚗 Lots of cars were pulled over but aside from one expired MOT, all were in order. Officers also attended a suspected break in progress but this turned out to be a false alarm.

This holiday season remember...

- 🌲 If you know you're going away for a few days, it is always a good idea to make neighbours aware
- 🌲 Use an automatic plugin time switch to operate a lamp or light at pre-set times when you're away
- 🌲 Be sure to check you've locked all your doors and windows before leaving
