#YouSaid - What matters to you

We have listened to your concerns and prioritised the following in May 2025:

Priority 1: Anti-social Behaviour

- **You Said:** Reports of anti-social behaviour around "The Black Path" include youths throwing items at houses and knocking on doors.
- **Our Action:** Patrols of the Beaumont Walk have continued throughout May. We have seen a dramatic decrease in reports being made to us about anti-social behaviour on Beaumont Walk. Considering this we will be looking to change are priority to target a new location where issues are happening.

Priority 2: Retail Shop Thefts

- **You Said:** Retailers and security at the Beaumont Leys Shopping Centre have on-going problems with shoplifting and threats against store staff.
- **Our Action:** A Problem Management Plan has been established. We collaborate with retail stores and security personnel to address the offenders. Crime prevention patrols are being conducted by both uniformed and plain-clothed officers.

Priority 3: Thefts from Motor Vehicles

- **You Said:** Addressing the increase in thefts from motor vehicles, particularly at Heathley Park. Light commercial vehicles are being specifically targeted for tools left inside overnight.
- **Our Action:** The beat team is working with local businesses in the area to locate weaknesses and prioritise our patrols to strengthen them areas. May has seen 0 reports of theft from vehicles in the Heathley Park area, however we plan to continue patrols through June.
