BEAT PRIORITIES

Burglary: Beat officers to put up footprint on ALL residential burglaries and ensure safeguarding for the occupants and that support is in place. Offer alarms where necessary and victim support where needed. Beat officers to support with CCTV/Statement enquiries where demand allows and ensure safeguarding reports are completed to those who need it.

Road Safety, Drug Dealing: As a team we are planning on increasing the road safety operations such as Belgrave Road. Working with partner agencies, and we are working on this to aid education around road safety and the impacts RTC's have on everyone involved. We will be looking at enforcing on illegal E-Bikes and E-Scooters.

Street Drinking and General ASB: Officers conducting active high visibility patrols within known hotspots areas. Robustly gathering details where possible of those involved in ASB. Repeat offenders will be dealt with via the incremental approach. Beat Team working with local council and CAP partners to tackle street drinking within the area. Drug dealing/cuckooing has become apparent on the area and officers remain vigilant.

ATM distraction Thefts: Increase visible and covert patrols around high-risk ATMs, especially during early morning hours when thefts often occur.

#YouSaid - What matters to you

BELGRAVE – CITY WARDENS

Belgrave officers have a great working partnership with the LCC City Warden for the neighbourhood and this partnership was strengthened recently when the City Warden joined Belgrave officers PC 865 and PC 1327 for patrols on the neighbourhood.

SPEED GUN - TARGETING THE ROADS

PC 4225 Manani and PCSO 6196 Spendilow – Headed to the streets to monitor vehicle speeds and vehicle related crimes following ongoing issues within the community.

It was our first initial trail after being able to secure a Traffic Speed Monitor Device in the Belgrave, with great results, Officers will be hitting key locations within the upcoming weeks.

VEHICLE PARKING ISSUES

Belgrave officer PC Thomas 1327 was out and about when they found a vehicle parked on the road that had been reported as SORN (Statutory Off-Road Notification) which is a formal declaration to the DVLA that the vehicle is being taken off the road.

This means that the vehicle isn't being driven or parked on a public road and is parked on a driveway, parked on private land or in a garage.

OPERATION SYPHON

Over the coming weeks Officers will be carrying out Operation Syphon across East Leicester — a proactive road safety initiative focused on:

- ☒ Speeding
- ☒ Dangerous/Inconsiderate Parking
- ☒ Breaches of Road Traffic Regulations

PUBLIC ENGAGEMENTS

LEICESTER PRIDE 2025

PCSO 6196 Spendilow and PCSO 6563 Birt were abstracted from their usual neighbourhood beats to support the wider force response during this year's Leicester Pride celebrations.

The event was a vibrant display of colour, music, and unity and we're pleased to report that it went ahead safely. As part of the planned policing operation, both officers played a key role in maintaining a visible and reassuring presence.

MEET THE INSPECTOR

Belgrave Neighbourhood Inspector Edwards 2877 and Command team have been out and about in the area to give you the opportunity to raise any concerns and to find out what we are doing to tackle the issues that matter to you.

Joint partnership working with Belgrave officers PC 1327 and PC 865 joined by Nimisha from Turning Point.

Licensing checks were completed, CAP leaflets were distributed <https://leicspolice.link/QmpxT> and Turning Point services offered and signposts completed.

JOINT PARTNERSHIP

BEAT PATROLS

Our #SaferStreetsTeam have been continuing to complete hi-visibility patrols this week on Belgrave Road and Cossington park. 🚔

Officers from the Belgrave neighbourhood team are tackling hotspot areas.

Completing high-visibility policing ensures a late-night presence in key areas, tackling anti-social behaviour/crime and engaging with the local community.
