

## St Giles Ward SNT

June 2025 Newsletter

### What we have been doing in your community

We welcome PC Jack Wheeler who joined our team this month. We carried out a drugs search warrant on a commercial premises in SE5 and found a large quantity of cannabis. One person was arrested for Possession with intent to supply a controlled drug class B. They have been bailed pending further enquiries. We carried out a patrol of the Lettsom Estate SE5 and found a stolen car. This vehicle was recovered, and the owner informed.

We assisted Camberwell Green Safer Neighbourhoods Team, Southwark Council and bailiffs effecting a high court warrant to evict the occupant of a council property in SE5. One male was arrested by officers from our team for making threats to cause criminal damage. They were later charged and remanded to appear at Croydon Magistrates Court.

We carried out a visit on an address in SE5 where there were concerns of cuckooing. Whilst speaking to the vulnerable occupant we found a wanted person also in the property who had failed to appear at Croydon Magistrates Court for Possession of a controlled drug Class A. This person was arrested and remanded for court the following day. They were also issued with a Community Protection Warning. We completed a referral to the multi-agency safeguarding hub not only for the vulnerable occupant but also for the occupant of another address where there were also cuckooing concerns. We are working in partnership with Southwark Council to safeguard both occupants, identify and take positive action against the perpetrators.

### Your Local Team

PS Chris Illiffe - 07721533314

PC Holly Sweeney - 07721530743

PC Chelsea Shildrick – 07721526709

PC Jack Wheeler – 07887-344485

PCSO Shaun Benn - 07721523491

PCSO Sohail Chaudhary - 07526569427

### Look up. Look Out!

Phone snatching can happen in an instant - often when we're most distracted. To help keep yourself safe, remember **Look Up, Look Out.**

- **Stay aware** of your surroundings, especially when using your phone in public spaces.
- **Avoid texting or browsing** while walking near roads, bike lanes, or crowded areas.
- **Keep your phone secure** and out of sight when not in use.
- **Be extra cautious** when standing near exits, public transport stops, or busy junctions.

Staying alert and keeping your phone secure can greatly reduce your risk of becoming a target.

Together, we can help prevent crime and protect our community.
