Priority 1: The beat team aim to tackle different elements of ASB in Mountsorrel

In the October Newsletter I made reference to some ASB that was reported in the village over the October half term. Further to the banning letters that were initially issued, all perpetrators but one have now been spoken to with parents/guardians present. Furthermore we are exploring an alternative disposal for the youngsters with a collaborative approach with other agencies.

We have also completed high visibility patrols in the main hotspots and have seen no issues.

Priority 2: The beat team aim to target reports of speeding in Mountsorrel.

We have completed covert speed checks on Leicester Road. Out of 144 cars that passed in the thirty minute period around forty were travelling over the speed limit. The vast majority between 31-35mph.
