Issue: January 2024

Your Local Team

As part of Neighbourhood Policing week of action, PCSO Cook, PC Wicks and PC McCahill paid a visit to the children of Tiny Gems Nursery. This was a great opportunity to show our role in the local community and was a fantastic time all around.

What Matters to you?

- Concerns expressed by local resident of Harwin Road/Ethel Road relating to general ASB around the area.
- This past month, there has been an increase in individuals committing theft from motor vehicles.
- As part of the recent ward meeting, attended by your local beat team, it was raised vehicles are travelling beyond the 30mph limit on St Barnabas Road, especially in the region where the primary school is located.

What we are doing

Reports of ASB around Illingworth Road, prompted foot patrols from PCSO Oleh and PC Mistry. A continued Police presence will help deter ASB and provides an opportunity to engage with the local community. You can assist us by reporting ASB via **101** or online by clicking [here](#).

Multi-agency approach is one of the aims of community policing, on 23rd January, PCSO Cook along with Traffic Wardens from the City Council conducted joint patrols during school times outside St Barnabas C of E Primary School. The aim of advising against zigzag parking was successfully accomplished. Zigzag parking compromises the safety of school children.

News

Fly-tipping

Did you know fly-tipping is an offence which can lead to unlimited fine if found guilty? The image on the right is one of many examples of fly-tipping found within the Evington and Coleman Ward. Fly-tipping can be dangerous, especially when hidden sharp objects are amongst the pile. If you spot fly-tipping in your area, you can report it using [Love Clean Streets](#) website or download the app on your smartphone.

Tesco Superstore - Ethel Road

Ongoing collaboration between your local beat team and Tesco Superstore on Ethel Road over the past several months has resulted in positive action taken against the persistent offenders committing thefts at the store, with the latest outcome being the arrest of seven males.

PC Barber and PC Darbar can be seen hosting a beat surgery outside Tesco on Ethel Road. Plenty of positive engagements, as well as crime prevention advice given. For future beat surgeries, please keep an eye out for emails from Neighbourhood Link and posts via East Leicester Police socials.

Tool Theft From Vans

There has been an increase in tool theft from work vans in the Evington and Coleman Ward area over the past month. These expensive equipment can be easily passed on to buyers and to prevent yourself from being a target again, ensure you do not leave any expensive equipment in your van when not in use and always check you have locked your doors. If you see any suspicious vehicles or persons in your area, do not hesitate to report it to us via 101 or [online](#).

Community engagements

- Beat surgery at Tesco Superstore on Ethel Road, Friday 9th February, 11:00am - 12:00pm.
- Beat surgery at Spar on Main Street, Evington, Monday 19th February, 11:00am - 12:00pm.
