

Ward Update; June 2026 - Moulsecoomb & Bevendean

Dear all,

Summer has well and truly arrived! I hope you are all enjoying and staying safe in the nice weather.

Patrols

PCSO Harffey continues to conduct mobile foot and vehicle patrols around Moulsecoomb and Bevendean, Bates Estate and Saunders Park. Members of the public have requested more visible patrols in their area as this can provide reassurance and a deterrence to anti-social behaviour or crime. We have a large area to cover where foot patrol is not always practicable, so marked vehicle patrol covers more ground.

If you feel unsafe in a public place please call 999, or, for anything less urgent, please report to 101 or online.

Ward Days and Engagement Meetings

Community engagement meetings are held monthly in the area, where we have the opportunity to engage with the community, receive feedback and offer general home safety advice and fraud prevention.

Further community engagement events will be held in the coming months to hear your concerns.

Our next meetings are being held on:

- **Thursday 30th July** at Meadowview Community Centre, Bevendean (Time TBC)
- **Friday 14th August** in Saunders Park, Bevendean (Time TBC)

Vehicle Crime

We appreciate that this is an on-going problem, and patrols and action will continue.

We are especially aware of problems with E-Bikes and E-Scooters, and are doing our best to combat this ASB.

Please report drink/drug or anti-social driving to: 101, Online or to Operation Crackdown. If the matter is an emergency, please call 999. If you wish to make an anonymous report you can use the independent charity - CRIMESTOPPERS on 0800 555 111 or crimestoppers-uk.org

Fraud Advice

Various types of scams continue to be our biggest problem in the city and nationwide. To add an extra layer of protection to your email and social accounts, consider using 2-Step Verification (2SV) which helps to keep cyber criminals out even if they know your password. SSV, sometimes called 2-factor authentication, can usually be found in the security setting of your account.

It provides a way of double checking that you really are the person you are claiming to be. You will be asked to provide a second step which is something that only you can access. This could be a code number sent to you by text or created by an app. This would be in addition to your password, making it doubly difficult for criminals to access your accounts. More information can be found on the GOV.UK website.

Keep up to date with the latest news and advice on the Sussex Police website.

Moulsecoomb & Bevendean top three priorities continue to be:

Fraud prevention and awareness

Tackling ASB, Drug dealing and Drug use

Continuing to conduct visible patrols
