PECKHAM

Peckham Police Station
177 Peckham High Street
SE15 5SL

What we've been doing this month

Your Ward Priorities

Reducing ASB, drug activity and drug dealing throughout the neighbourhood.

PC Salter has had numerous stop and searches in and around the area of Sumner Road Park in SE15, causing disruption to criminality in the area and being a reassuring presence to residents he has chatted to.

PCSOs Broughton-Rates and Smyth attended a Housing Surgery on Pennack Estate again, to reassure and plan effective measures with our Southwark council Housing partners. There will be more of these in the coming months on a variety of estates on the ward.

PCSO Broughton-Rates went with PCSO Baxter on a Nursery visit the next day to Smart Kids Nursery on Nunhead and Queens Road ward. It was a very pleasant afternoon for all involved as we answered questions on what we do in the area and the children tried on hats, helmets and made blue glove balloons.

The following Monday Dulwich Hill, Peckham, Nunhead and Queens Road SNTs joined with Southwark Met. Engagement Team for a visit to Peckham Police Station by a Camberwell Beaver Scouts group. Again we discussed what Police do (PCs and PCSOs), many questions were fielded and after an intense hour, the troupe finished off with inspections and a closely supervised use of a Police vehicle. The children, parents and Leaders left singing our praises.

Finally for this month, the first meeting between Peckham SNT and Millwall Football Club happened at the Damilola Taylor Centre. PCSO Broughton-Rates (in conjunction with JJ from Met KICKS) took part in the training session before a girls tournament and gave words of motivation before and after the event. Many thanks to all the Coaches, players and parents who spoke with us and congratulations to the eventual winners who were also the youngest team involved in the competition, calm and skill in a nail biting penalty shoot out.

Meet the team

Whilst you can always contact us by phone or email, you can also use Met.ENGAGE. Click/cut and paste the link below...
